# FARTS and PEEVES

## ASSHOLE OF THE MONTH

Everybody has to shit somewhere, but only the lowest form of sphincters dump their turd piles on a best friend. Such a treacherous dung ring is Al Goldstein, ailing publisher of the formerly vital New York City sex tabloid *Screw*, and also Asshole of the Month for HUSTLER Magazine's 1992 Holiday Issue.

Anyone who has a desire to meet Al Goldstein can be dissuaded from that folly simply by reading a sample of the fat slimeball's magazine. A brief look through any issue of *Screw* is never brief enough. The measly, repetitive treacle of the typical *Screw* discharge is like a dollop of gonorrhoeal pus—there's no redeeming substance, and it certainly is painful to eke through, for everyone involved. To focus on a *Screw* hurts the viewer almost as much as Goldstein's crew of compromised subnormals must have suffered to put the issue together.

*Screw* magazine is slightly less arousing than soot. Its cheap newsprint ink leaves a browser's hands just as dirty as if he'd been jerking off a lump of slum-grade coal, the type of flaky, black clod that ingrate Goldstein keeps where better men's hearts beat.

Though the weighty under-achiever has never deserved better than to be wiped from the bottom of a peep-show mop man's shoe, Al Goldstein has been befriended through the years by Larry Flynt, his superior in every way. When Goldstein faced an obscenity trial in Wichita, Kansas, HUSTLER, Larry Flynt's magazine, was on the scene with support and coverage. When

### AL GOLDSTEIN

Goldstein's faltering weekly needed to be propped up, Larry Flynt plugged it in the pages of HUSTLER Magazine. With the rest of the world treating Goldstein like some sort of feces-borne bug, Larry never considered the corpulent mooch any less than a 'roid-sucking leech.

Goldstein longs to make an impression outside of New York City, a metropolis of millions in which a few hundred losers grudgingly acknowledge the two-ton nonentity's existence. Porkface Al's few dim glimmers at national exposure have been granted by Larry Flynt, in full-length HUSTLER Magazine interviews and a too long fantasy photo feature. If not for Larry Flynt, no one outside of a smattering of junkies

and bagel sellers would know that an Al Goldstein had ever crawled out from under its petrified dog turd.

Goldstein is the latest incarnation of the eternal Judas. In a *Screw* dated August 24, 1992, Goldstein's paste-up flunkies illustrated an unprovoked and unfounded attack on America's Magazine ("The Death of HUSTLER") by superimposing a gunsight

upon a portrait of Larry Flynt. In encouraging *Screw's* readers to gun down the very publisher who took an assassin's bullets in order to shield anus-grazing vermin such as himself, Al Goldstein indulges the character flaws that will keep him forever suffering penis envy when in the company of men.

Just as *Screw* is not quite a real magazine; so Al Goldstein is something less than an actual human being. The most damaged victim of his own much-flaunted Goldstein Curse, Al survives only as a shell of his former deficient self, a shell filled with tainted lard. There is no need to call for the death of Al Goldstein. He hardly exists outside of the extremely limited universe of his own creation, and he's nothing but Asshole when he's there.

### FARTS IN THE WIND

**Pat Robertson:** The television spiritualist, who has bragged of using his powers of prayer to divert a hurricane from his ministry's home base, failed to pray Hurricane Andrew away from Louisiana or Florida. However, the cathode preacher did use his equally potent brain power to warn parishioners of the dangers of the Equal Rights Amendment for women. "It's about a socialist, anti-family political movement that encourages women to leave their husbands, kill their children, practice witchcraft, destroy

capitalism and become lesbians," quoth Pat, a bleating Asshole posing as a bleating man.

**Woody Allen:** As if his self-indulgent, incestuous, weak movies weren't reason enough to hate him, Woody Allen has also shown himself to be culpably lazy in his search for sexual relations. His affair with former-girlfriend Mia Farrow's adopted daughter Soon-Yi appears self-indulgent, incestuous and weak.

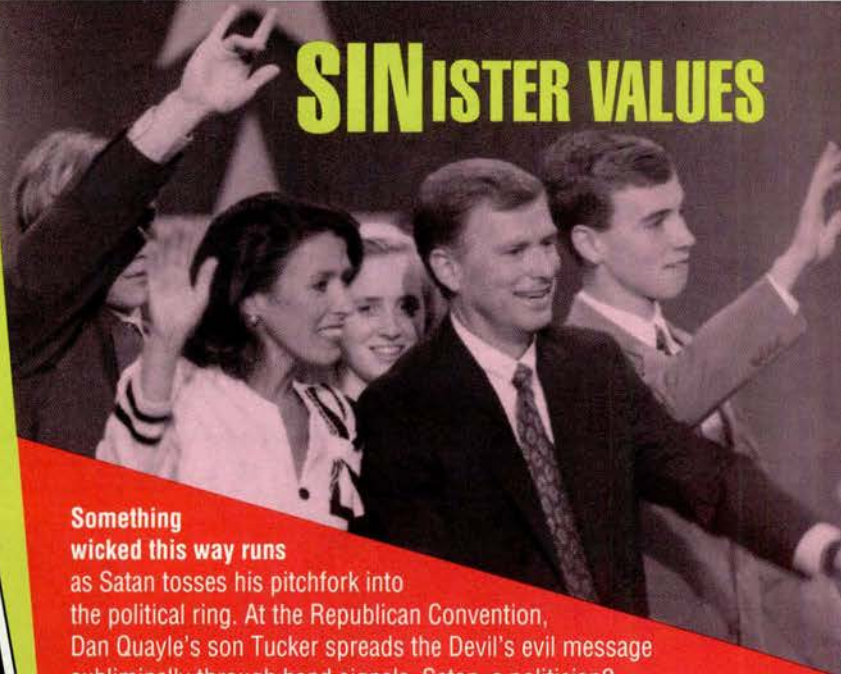

Even a dog won't bone a bitch who calls his former mate Mom, unless that dog is an Asshole.

# SINISTER VALUES

Something wicked this way runs as Satan tosses his pitchfork into the political ring. At the Republican Convention, Dan Quayle's son Tucker spreads the Devil's evil message subliminally through hand signals. Satan, a politician? Hell, what's next? An evil Santa Claus?

In Hollywood, unknown, wanna-be actors often step in for real stars whenever a script calls for dangerous stunts or steamy sexuality. At

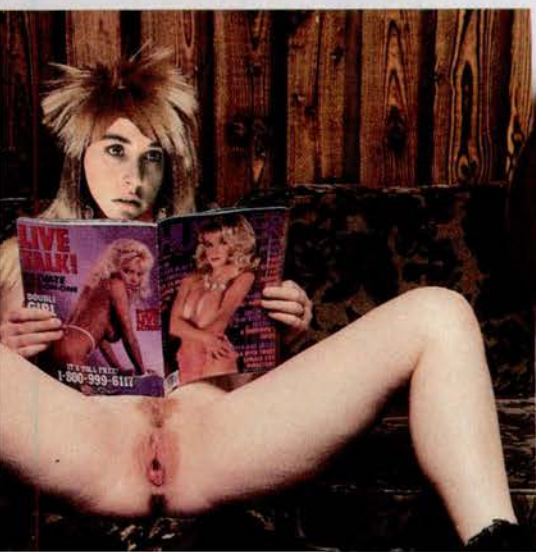

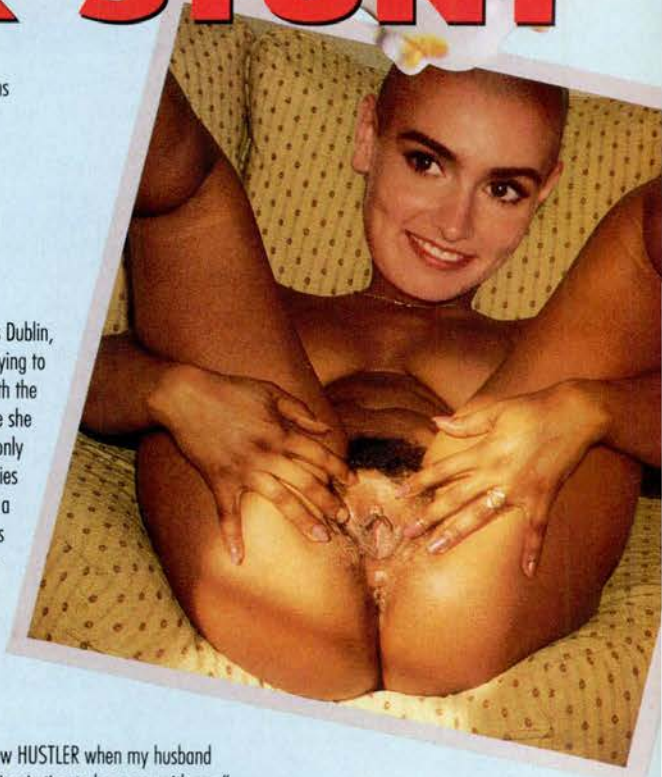

HUSTLER, we let unknown women take the spotlight each month in our *Beaver Hunt* section. But we wondered how it would look if we pasted stars' heads onto the bodies of our hometown honeys and created a new section called...

# BEAVER STUNT

Former actress Jane can be seen in the Atlanta, Georgia, plains performing her latest exercise, "How To Keep a Millionaire Husband Satisfied." When she's not exploiting fat people for cash, she practices political correctness while her husband destroys classic movies. Her sexual fantasy is to kill her "old man" and roll naked in his cash. Photo by Unidentified CNN anchorman.

A mewling cunt by profession, this Dublin, Ireland, banshee spends her free time trying to prove she's the white woman with the greatest soul. Unfortunately, every time she opens her lips, suffering Sinead proves only that she has the biggest hole. Her hobbies include crying and proving she's a woman, and her fantasy involves her head, a light-bulb socket and a tub of water. Photo by Herself.

"I first saw HUSTLER when my husband needed inspiration to have sex with me," says Demi, a media whore from Beverly Hills, California. Today she's a little stretched out from her recent whelping, but still a faithful reader. Now that she's appeared in HUSTLER, her fantasy has been fulfilled, but there's always room for one more. Especially when Bruce Willis is inside. Photo NOT by Annie Leibovitz

Parody. Not to be taken seriously. Celebrity heads pasted onto former *Beaver Hunt* selections. Nothing we say is true.

**Who Cut the CHEESE?**

Is it... President Bush, to whom human carnage seems unimportant without oil reserves on top?

Serbian party leader Slobodan Milosevic, who acts as if the only good Muslim is a dead Muslim?

Or U.N. Secretary General Boutros-Ghali of Egypt, who moves with the swiftness of a stone Sphinx?

Not a Parody. To be taken seriously. Heads of dead people are on bodies of real dead people.

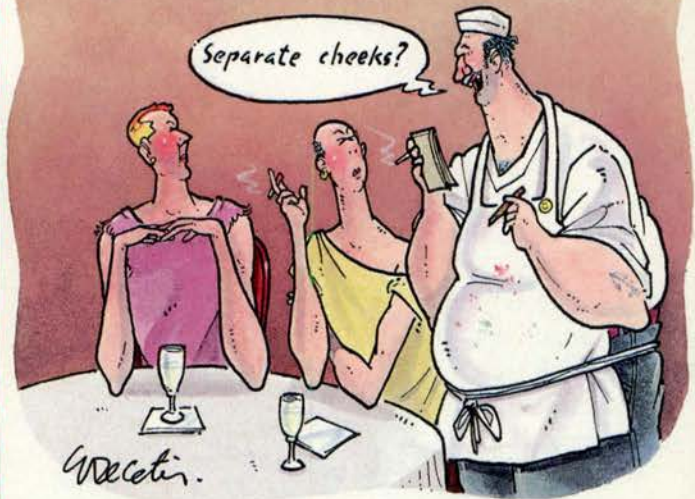

**PORN from the PAST**

After a big holiday meal, Grandma always let her guests cut the meringue pie with their teeth. A hearty thanks and \$150 go to Judie Berke for getting our nylons in a bunch over this chestnut-roasting pose. Send your closet classics to HUSTLER's Porn From the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a self-addressed, stamped envelope if you want your shots returned.

**"MOST TASTELESS 'CARTOON"**

Bud was soon to realize that opening a diner in the heart of the gay district was not a sound move.

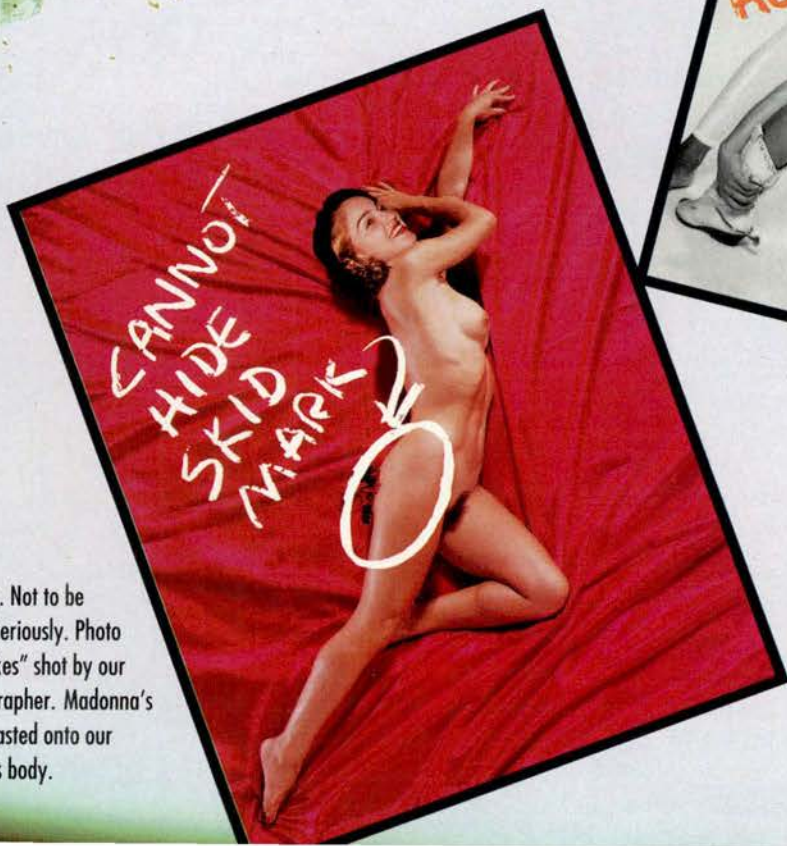

*Wreeter.*

Madonna, the media whore HUSTLER would most like to grudge-fuck, overexposes herself once again with a

new book of tease photos called *Sex*. Well, save the \$49.95 cover price and study the outtakes we've

concocted, complete with art director's comments, which explain the inner workings of...

# Feedback

## HOGS UNITE

This is an open letter to all the morons who write in complaining about the clown prince of porn, Ron "Hedgehog" Jeremy ("Hog on the Run," *Feedback*, April '92; "Ron's First 'No' Vote," *Feedback*, April '92; "Hog By Any Other Name," *Feedback*, August '92; "Hedgier, Hoggier," *Feedback*, November '92). Sure, he's fat, ugly, hairy and foul-smelling, but, I contend, no fatter, uglier, hairier or stinkier than the average HUSTLER reader. So to Ronnie's detractors I say, *Fuck you!* You assholes watch Ron's movies green with envy over the fact that Ron is getting paid to prong some of the finest squack in the world while you sit alone, in front of your VCRs, sorrowfully stroking your own flaccid poles.

The sad truth remains that your wildest fantasy is Ron's everyday reality. You dream of earning a living with your gonads—Ron does it. You wish you could spray your seed upon the ample breasts of Christy Canyon—Ron sprays it. Try as you might, you will always fall far short of the true master, Ron Jeremy!

So don't condemn the Hedgehog. Embrace him. Do not ridicule Ron. Emulate him. Most importantly, do not try to understand him—just accept him for what he is. Take solace in the cosmic justice that occurs when a beautiful, young, silicone-augmented porn slit, who would never even stoop to give you the time of day, is degraded on film before the world by the infamous Hedgehog. Face it. He is America's last true hero—undeniably a Hog among men! —J. P. a/k/a "Jeremy's Pal" Santa Ana, California

## HOGS HANG TIGHT

I am writing to respond to a letter published in HUSTLER's August 1992 edition concerning Ron Jeremy, in which Mr. Jeremy was compared to first a hedgehog and then a piece of shit ("Hog By Any Other Name," *Feedback*, August '92). I disagree with both of these comparisons. I don't think Mr. Jeremy should be

put down because of his physical appearance. Instead, I think he should be looked upon as an idol. He is one of the very few men in porn films who looks like a common, everyday person. Let's face it. If Ron Jeremy can make it in that business, anyone can.

—J. W.  
Macon, Georgia

## SNATCH SNAFU

Dear HUSTLER, for once I can honestly say that you lost me, or I should say, you lost two women. In the back of every HUSTLER, *Coming Next* features pictures of the upcoming layouts. In the July 1992 issue, there is a picture on the left side of the page with the following description: "a sizzling, dark-haired tigress mounts her own wet tail in her trophy room." Well, August 1992 issue gets here and *whoa!* No picture of the tigress! Where'd she go?

In the August 1992 issue, there is a picture on the lower, left side of the page with the following description: "Stay up to study a strawberry blonde's latest look at the crotch-caress-

ing mechanics of lace lingerie." Along comes the September HUSTLER, and no strawberry-blond pictorial!

I am much distressed, as twice I've looked forward to seeing lovely women, and somehow you lost them. I've read HUSTLER for years, and I know that this is a very rare lapse. In fact, it's the first time I can think of it happening, as all other back issues check out.

Could you please tell me what happened to these women?

—R. G.  
Shelton, Washington

*Sad to say, R. G., the sizzling, dark-haired tigress and the strawberry blonde fell through the big, pink crack of HUSTLER's editorial bureaucracy. You'll be proud to know, however, that you've been voted HUSTLER's Nit-picking Reader of the Year. Our next photo assignment screw-up is dedicated to you. Congratulations!*

## DICKS BITE

Please do me and the overwhelming majority of your readers a great, big favor and leave the ads for fags, male-bisexuals and she-males (which is a fag with tits) the fuck out of HUSTLER Magazine. It is extremely disgusting and distasteful to the heterosexual population (which is still by far the majority, I believe) for whom HUSTLER is supposed to be intended. If I'm wrong on this, however, and HUSTLER's becoming a gay magazine, then do me the favor of canceling my subscription.

Judging from the mail here at *Feedback*, T. S., many of HUSTLER's heterosexual readers don't think HUSTLER includes enough bulging cock on its pages. They're women. Remember them? They're still by far the majority, we believe!

### ETHNIC SLUR

HUSTLER is superb! You display the most beautiful women we've ever seen, and your editorial is unique. Keep up the good work!

However, we (all Cubans) are writing you regarding R. L.'s letter in *Feedback* ("Sí Naomi," *Feedback*, October '92), which we found onerous. We are a group of Cuban males serving time in a state penitentiary, like the so-called *paisano* in California. He has morally insulted not only his Cuban people, but the Hispanic community as well.

We hope HUSTLER didn't succumb to his beseeching act. We also don't have any family living in the States, but that doesn't mean that we'll go to such extremes as to beg for compassion. If he needs or wants something, he needs to hustle! Shit, there are inmates who will exchange an old issue of HUSTLER for a pack or two of smokes! What the fuck is wrong with this guy?

All his *paisanos* here at the prison are ashamed of him. We ask you, HUSTLER, to print this letter for him to read:

R. L., la carta que le enviastes a la meritoria Revista HUSTLER fue una falta de consideración de tu parte, junto con una falta de respeto moral a tus paisanos y raza latina. Eres un atrevido. Si deseas rajarte pajas a costillas de Naomi, muevete en la prisión y jousea un par de varos para que se la compres a otro preso. Dejate de descaros y no seas abusador. No pienses solo en tí sino en la reputación de todos los Cubanos en los Estados Unidos.

—De presos ofendidos en Florida State Prison  
Starke, Florida

### HEARTS ON THE LINE

Word up, HUSTLER! There's good and bad in everyone! After reading *Prison-House Marriage Rackets* (*Prison-House Marriage Rackets: Putting a Mark on Wedded Bliss*, October '92), I must say it is a rare trip to feel disappointed by what I otherwise feel is the best entertainment magazine on the market! I am an inmate, currently incarcerated at Walla Walla State Penitentiary. I, like many of my fellow inmates, subscribe to HUSTLER. *Prison-House Marriage Rackets* was of the utmost disrespect and painted an inconsiderate, stereotyped image of a convict. First, depicted in the feature's illustration is what appears to be a strung-out, crazed biker whose dickhead is a cauliflowerlike mass of genital warts, sitting beside a woman with a bitten-off areola and a lump so large on the mons of her vagina, it appears as if she has an external testes.

This is not what prison love relations are

about! Women of the world, please don't judge us from this lamebrain article by a reporter who probably never did a day in jail in his life! Sure, there are jerks in the prison system out to get what they can, but the majority are lonely and looking for sincere relations! I know many married convicts who work regularly and make a mere \$150 a month, sending half of it home to their wives. Why wasn't anything positive printed in the article?

—D. L. R.

Walla Walla, Washington

*The writer of Prison-House Marriage Rackets: Putting a Mark on Wedded Bliss is himself an incarcerated convict. While it was never our intention to condemn every prisoner's postal bid for love and companionship, we stand by his word of warning. It's definitely an inside view.*

### ONE BORN EVERY DAY

Enclosed is a copy of an enema-service ad that appeared in HUSTLER's October 1992 issue (*Say It...With Feces*, October '92). When I called the number listed, I got a recording saying it is an inoperative number. The number itself appears to have too many digits! I'd be interested in calling for the service, but I need a phone number or an address. Please send one to me. You might want to correct it in an upcoming issue.

—J. H.

New York, New York

*Unbelievable as it may seem, J. H., Say It ... With Feces (announcing a HUSTLER fleet of dung-to-door Enema Girls) was an ad parody, clearly listed as such on HUSTLER's page-three index. In a perfect world, colon cleansing would be no joking matter.*

### TWO BORN THAT DAY

Regarding HUSTLER's girl/girl pictorial Karen and Deidre (*Karen and Deidre: Postcards From A Lay*, September '92): I can't figure how you people at HUSTLER were able to get away with photographing two sexy vixens fucking naked in such public places! At the next photo shoot, please tell me where!—R. L.  
San Jose, California

### FREE TO BE SHE AND ME

I enjoy HUSTLER every month. My wife, who is a lesbian, likes to look at the pictures. She taught me crossdressing with her parents' help, and I now wear female clothes during my normal life.

My mother- and father-in-law want me to undergo a sex-change operation. They are very wealthy and have paid in advance all medical costs. I haven't seen a doctor yet. My wife is also my S&M mistress. I do sick and humiliating maid work for her mother and sisters, wearing a special maid's uniform. I collect Social

EDITED BY SCOTT MALLORY

### STREET ANGELS

**Three-Quarters Erect.** Directed by Henri Pachard; starring Jeanna Fine, Ashlyn Gere, Britt Morgan, Joey Silvera, Ona Zee, Randy Spears, Jon Dough, Johnny Nineteen, Sean Michaels, Flame, Summer Knight, Teri Diver and Carl Esser. Videocassette: Las Vegas. Shot on film.

Corrupt politicians, fraudulent fundamentalists and savvy sluts combine to make *Street Angels* a boiling pot of skin, scandal and sexual salvation. A superior sequel, this follow-up to *City of Sin* finds hooker Jeanna Fine ready to blow the lid off a local bordello that's been home to numerous community leaders. By threatening to go public, Fine has everyone quaking in their boots, a feeling homebound jerkers should experience in their groins after watching the fucking fireworks. Randy Spears plays a Jim Bakker-type charlatan who finds the key to heaven firmly entrenched in the snatches of Britt Morgan and Flame, a caustic threeway that'll have believers shouting, "Hallelujah!" Ashlyn Gere is Spears's prim secretary who finally lets down her hair and devastates Jon Dough and then takes carnal communion from Spears. Fine lights up the screen with her dynamite disciplining scene of Sean Michaels, who returns to sully Ona Zee in yet another zipper-busting boff. Excellent performances by Spears and Fine, and a good story and steady direction from Henri Pachard, make *Angels* fly high. —Sam Lowry

To get to heaven, be kinky.

Knight's firm flesh will make strokers pray for salvation.

*Rainwoman:* Foxxx bounces North.

*A hard cock is in a World all its own.*

*Sinderella:* The viewer gets fucked.

## RAINWOMAN 5

**Half Erect.** Directed by Michael Carpenter; starring Fallon, Victoria Seerett, Mara Aamado, Leanna Foxxx, Teri Diver, Peter North, T. T. Boy and Jake Steed. Videocassette: Coast to Coast.

As long as Fallon can keep squirting geysers from her twat, the *Rainwoman* series will never dry up. In fact, Number 5 improves on the theme with new gusher Victoria Seerett, a blowsy redhead with a proper English accent that gives her leaky faucet some class, especially when she stands, stuffs a black dildo inside her sippy cunt and lets the drips splash where they may. Mara Aamado may be the worst actress ever to disgrace the slime screen, and director Michael Carpenter gives her all the lines; so forget the plot and enjoy Leanna Foxxx bouncing her big, brown box pogo-like upon Peter North's reliable spring. Foxxx sticks a pinky in North's ass, and he fills her mouth with a blast of dick mousse, while Fallon gushes in the glow nearby. These girls don't need a plot, they need a plumber. —Seth Roberts

## ZANE'S WORLD

**Half Erect.** Directed by August West; starring Tom Byron, Madison, Sikki Nixx, Trixy Tyler, Biff Malibu, Brigitte Aime, Teddi Austin, Toni Couchez, Cherry Lawson and Jack Handy. Videocassette: Zane Entertainment.

A feeble ripoff of the sophomoric mainstream flick *Wayne's World*, this punctuates its often-passionate poking with the puerile prattling of Sikki Nixx as "Zane" and a nearly unrecognizable Tom Byron playing "Girth." The theme that links the sex scenes sucks, but four of the five fucks fire up. Biff Malibu power bangs Brigitte Aime's back door; Trixy Tyler laps up Byron's bone brew; Teddi Austin showcases her love of ball sucking and boner blowing; and Madison turns in a flailing, wailing, dirty-talking twat-de-force in the finale. Big things are promised of Madison and her band, the Sex Exploiters, but they just dance around without a sound. In this *World*, a hard cock makes its own music. —Woody Hood

## SINDERELLA 1

**One-Quarter Erect.** Directed by Paul Thomas; starring Savannah, Racquel Darrian, P. J. Sparxx, Britt Morgan, Melanie Moore, Joey Silvera, Randy West, T. T. Boy and Mike Horner. Videocassette: Vivid. Shot on film.

Despite a healthy cast and rich camerawork, the viewer gets fucked by this latest porn fairytale. Vivid has chopped one strong movie into two short ones, leaving viewers stranded just as the story starts to sizzle. The opening romp between Savannah (as the airhead, Sinderella) and T. T. Boy in the forest looks great, even though Savannah's predictable nonchalance zaps the life out of the usually energetic Boy. Boy rewards her grand indifference with a fashionable sperm goatee. The best of the paltry four sex scenes is a sultry threeway with Racquel Darrian, P. J. Sparxx and old man Randy West. The scene's subtext—that two sisters strip each other and fuck at the same time—has a nasty feeling, considering the siblings are some of porn's finest fur. West dribbles a mini-"load" onto Sparxx's pubes that blows the scene at climax. After that, the words "To Be Continued" scrape the viewer's dick like a bag whore's loose teeth. The bastard videomongers are fools! One strong vid in the hand is worth two mediocre ones in the bush. —S. R.

## BAZOOKA COUNTY 4

**Half Erect.** Directed by Michael Carpenter; starring Angela Summers, Tonisha Mills, Peter North, Teri Diver, Gail Force and Ted Wilson. Videocassette: Coast to Coast.

The best of *Bazooka* can be found inside the slick, sweet trouser-snake-swallowing snatches, warm, wet, meat-massaging mouths and lacy bras of big-bazooked, blond beauties Angela Summers and Tonisha Mills. Co-starlets Gail Force and Teri Diver are less impressive (though Diver does have a cute way of tickling her tonsils with a hard cock), as are the writing, acting and music. There are some spew-inspiring closeups of secret, pink places, especially during Diver's dive on Summers's squack. *Bazooka* may not be the ultimate blast, but is loaded with a few spurts. —W. H.

*The Bazooka load is in Mills's bra.*

## ALL THAT GLITTERS

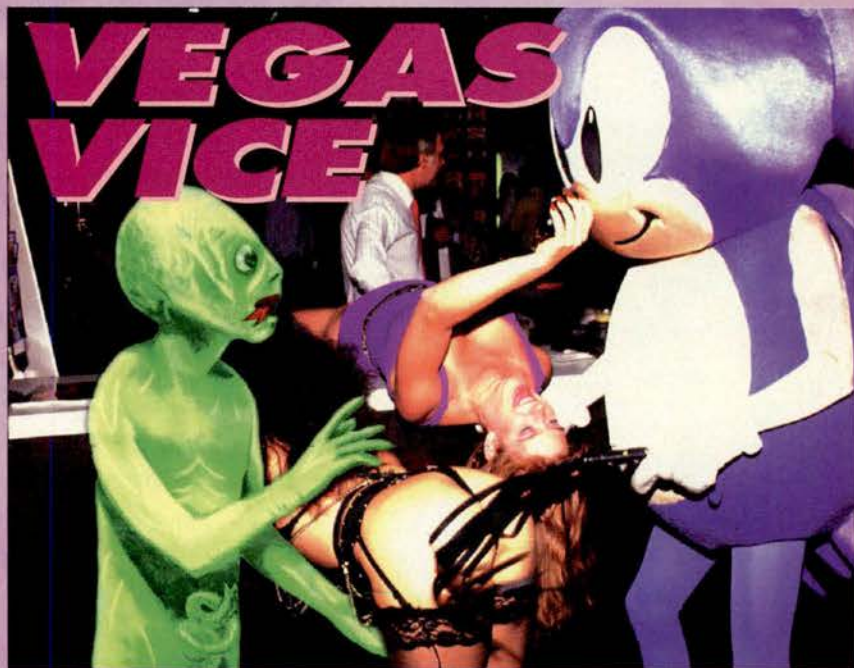

**Half Erect.** Directed by Jean-Pierre Ferrand; starring Erica Boyer, Raven, Teri Diver, Chrissy Ann, Austin Moore, Ted Wilson, Cal Jammer and Steve Drake. Videocassette: Las Vegas Video.

Conniving cunt Raven stars as a financier who wants to lasso some big-wallet moneymen in this raw reamfest that glitters with a sheen of cunt juice. Raven sends flunky Chrissy Ann to show the rich boys the high, hard side of fornicating for finance with a dynamic double penetration. Erica Boyer is no slouch in anal adventures, taking Austin Moore briefly deep in her dirtbox in another comely coupling. Teri Diver puts her best face forward with Steve Drake, as they bop till he pops in her mouth. She works the ball batter into a heady brew that covers her in cum and should send facial fans running for the towels. The tape is miserably shot, but clear-eyed enough when it comes to cum and cornholing.

—S. L.

Boyer's cunt **Glitters**.

## THE SECRET GARDEN 1

**Three-Quarters Erect.** Directed by Michael Zen; starring Ashlyn Gere, Ona Zee, P. J. Sparxx, Randy Spears, Mike Horner, T. T. Boy, Anisa, Flame, Melanie Moore and Jonathan Morgan. Videocassette: X-citement. Shot on film.

This is not a porn version of the children's story/Broadway musical about an eight-year-old girl. It's about the kinky life of a rich, hormonally imbalanced clan known as the Hydes. The mother (Ona Zee) covets a stone phallus, while the father (Mike Horner) gets off on watching other people fuck, namely a torrid tryst between P. J. Sparxx and T. T. Boy that includes an ice-cube treatment to cool off her sizzling slit. The black-sheep son (Randy Spears) also likes to watch, as he whacks it in a peep show booth while Anisa takes it up the ass from Boy in another randy ream. Something else that father and son have in common is getting the fuck of their lives from Ashlyn Gere. Wearing a silver wig, Gere nearly destroys Horner, and later, in a red wig, she melts the wallpaper of the cheap room where Spears savages her in the film's most hellbent hump. With three nice facials and no-holds-barred sexual energy, *Garden* cultivates major choad.

—S. L.

There is a **Garden** of cum in Anisa.

**SMUT** company attendance at the 11th annual Video Software Dealers Association Show, held in July in Las Vegas, was a major improvement from last year's all-time low, and business was brisk. At the urging of the Adult Video Association, the X-rated booths were curtained off from the general-release companies—an example to retailers that they should have a separate adult section in their stores. "It's the best way to go if they're selling adult product," says AVA President David Kastens. The curtain didn't stop at least one stray mainstream character from wandering into XXX Land and engaging in kinky extracurricular activity. Maybe he was getting ideas for a new Saturday morning cartoon show. At the Pure Pleasure lingerie auction, where garters, stockings, bras and panties were raffled off in the name of free speech (all proceeds went to the AVA), the lineup of civic-minded gash was a pleasure. Working for your right to jack off were (from left) Teddi Austin, Tianna Taylor, Nina Hartley, Sharon Mitchell, Ari, Heidi Kat, Alex Jordan, Madison and Holly Ryder.

Napoleon's little **Dong** comes big.

## LITTLE BIG DONG

**Half Erect.** Directed by Jim Enright; starring Napoleon, K. C. Williams, Charisma, Jon Dough, Teri Diver, Rose Hunter and Tony Tedeschi. Videocassette: Zane.

Imagine being a screenwriter who has to tailor a script around the concept of George Armstrong Custer being played by a dwarf. That's the nightmare facing smut scribe Jon Dough, who takes refuge from his ridiculous assignment by savoring the steamy slots of Charisma, who screams and cries in orgasmic delight, and K. C. Williams, who is more subdued but still worthy of lingam lashing. For sheer stamina, Napoleon's closing corker with Teri Diver is unbeatable, as the little lover comes not once but twice, capping a sweaty bout of ballistic balling with a double dose of dick dew. He might be small, but Napoleon carries a big *Dong*. —S. L.

## SOMEONE ELSE

**Three-Quarters Erect.** Directed by Michael Craig; starring Ashlyn Gere, Randy West, Mike Horner, Bianca Trump, Jesse Eastern, Danielle Rogers and Randy Spears. Videocassette: VCA.

This tape teases a Fully Erect rating, not because it's packed with nonstop pussy pummeling, floodlike facials, balls-to-the-wall butt-fucking and dirty double penetration, but because it tells a story with style and a healthy dose of sensuality. Some scoffing horndogs may consider it couples fare, but beware of hasty judgment. Ashlyn Gere, a primo cock-creamer, to be sure, is also a steady actress, especially in a quality vehicle such as this. Watching her work on the pricks of Randy West, Mike Horner and Jesse Eastern, or on her own cunt in a scintillating outdoor shower scene, or when expressing a wide range of thoughts and feelings totally appropriate to the tale being told, is a bone-building joy! —W. H.

When she comes, nobody **Else** is Gere.

## WHERE THE GIRLS SWEAT 2

**Half Erect.** Directed by Bruce Seven; starring Tianna, Madison, Heather Lere, K. C. Williams, Missy Warner, Nikki Wilde, Holly Ryder, Flame and Kathleen Jentry. Videocassette: Elegant Angel.

Subtitled *More Girls, More Sweat*, this second visit to a women-only health club doesn't come close to the twisted, lesbo heat generated by the first. Not all of the women are into pussy. Nearly half the cast members are out of their league when up against the cunt-driven lust of Tianna, Madison and Kathleen Jentry. Tianna sweats and comes wildly with a chrome vibrator in her ass; Madison hangs from a bar and gets her sex-monster cunt worked over by Holly Ryder and Flame; and Jentry's real-life love of female fucking, along with her rock-hard and extraordinarily limber dancer's body, makes her the most exciting spread. Highlights include Heather Lere digging into her panties and rubbing her clit, Madison's ultrafilthy dirty talk, Tianna's general twat frenzy, and Flame taking a black tree-trunk dildo in her red-haired cunt. —Mal O'Ree

## MIND GAMES

**Half Erect.** Directed by Jack Stephen; starring Tonisha Mills, Barbie Dahl, Anisa, Sonja, Joey Silvera and Steve Drake. Videocassette: Cinderella.

Everybody has a little voice that tells them right from wrong. However, when that voice looks like Tonisha Mills, there can be no wrong, only delightful degrees of degradation. Steve Drake has the enviable luck of having Mills come to life in order to show him what his fantasy life would look like if he only bothered to fulfill it. Figuring prominently in his dreams is Barbie Dahl, who gets a double helping of dick, first from Drake and later from Joey Silvera. Both pussy plows showcase Dahl's ability to squeal as well as Ned Beatty ever did in *Deliverance*. While Mills may be a luscious conscience, she's not very exciting at practicing what she preaches. Her two scenes never rise above the mundane. Asian hair-pie honey Anisa makes for a hot hole in her perfunctory pooning with Drake, but these *Games* provide only mild chicken-choking calisthenics. —S. L.

**Games:** Delightful degrees of degradation.

Tianna works Flame's cunt into a **Sweat**.

# Twin Twats

CHRISSY AND CHRISTY ANN

Betty is a new object of worship.

## BLOWJOB BETTY

**Three-Quarters Erect.** Directed by Patti Rhodes; starring Alicyn Sterling, Mimi Miyagi, Britt Morgan, Randy West, Rocco Siffredi and Betty. Videocassette: Coast to Coast.

If beautiful, busty, blond businesswomen buttoned up in executive-office suits are a religion, Betty is an object of worship. The box cover says "Head is all she gives, and head is all it takes," and it is right. Betty doesn't get fucked. It would be against the laws of nature to penetrate her regal womb. Betty sucks cock, and she does it very well. It's been 20 years since Randy West was the bone her mouth makes him. Rocco Siffredi wants to fuck, but Betty won't do it. She'll suck his asshole out through his dick. Betty gets her cunt licked and chewed by Britt Morgan, slowly building to an intense orgasm. Cunt suckers will be rewinding this scene again and again. Alicyn Sterling simply fucks the shit out of Siffredi, going to her knees for cock worship and a mouthful of cum.

—M. O'R.

That's a nice, young, slice of pink Chrissy Ann opens up in *All That Glitters* (Las Vegas Video). Her identical-twin sister, Christy Ann, has one just like it, and she serves it up, along with her squeazy rosebud asshole, to Marc Wallace in *The Anal Twins* (see cum-stained review). Word is that these sexy siblings, who specialize in pile-driving butt-fucking and greasy ass/pussy stuffs, are in a constant battle to prove who's the sluttiest, a family quarrel Biff Malibu landed in the middle of in *Totally Nasty Home Video 8*. They actually yell at each other, "Just fuck him!" This is one domestic dispute we'll mediate anytime.

## THE ANAL TWINS

**Three-Quarters Erect.** Directed by Jim Enright; starring Chrissy Ann, Christy Ann, Cassidy, Melanie Moore, Marc Wallace, T. T. Boy and Don Fernando. Videocassette: Coast to Coast.

Here's one sibling rivalry worth its weight in sperm. Identically beautiful twins Chrissy Ann and Christy Ann (blessed with the most photogenic pussies since Ginger Lynn) put their asses on the line to determine who's nastier. First, Chrissy does cartwheels on T. T. Boy's boner, hopping off for a widespread ass attack. The chum that fills her distended sphincters is a splendid moment in a cheap flick filled with great fucks, all but one of which involves the sinful sisters (no, they don't have sex with each other). The ubiquitous Melanie Moore and hard-bodied brunette Cassidy share twats and T. T. Boy's cock, before he plays tic-tac-snow with their chests. We're here to see the twins, and after a traffic accident leaves Christy hospitalized, Chrissy pulls the old switcheroo and seduces Don Fernando into another tender anal ream, which all but cements her "nasty" crown. Christy eclipses her sister's assrobatics with a double-dick load of Fernando and Marc Wallace that leaves her entire genital area seeping with semen specimens. It's hard to tell them apart; with *The Anal Twins*, hard is precisely the point.

—S. R.

## WATERBABIES

**Half Erect.** Directed by Jim Enright; starring Ashlyn Gere, P. J. Sparxx, Tom Byron, Tianna, T. T. Boy, Melanie Moore and Mike Horner. Videocassette: *Coast to Coast*.

As owner of an athletic club, Ashlyn Gere tries to keep her male staff away from the customers' pink, but the pussies are too good to leave alone. In a steam-room slot fest, muscular lesbian muff munchers know that fresh clit makes a mighty fine

energy booster. The well-stocked steam room includes some stiff strap-on dildos. In case any man wonders how stupid he looks jerking off, check out Tianna's trick with the Evian bottle. Tom Byron tries to keep his pecker private, but surrenders to Melanie Moore and Tianna, who jams a finger up his asshole while he pounds her partner. After T. T. Boy's unsatisfactory boning, Gere takes Mike Horner and Byron into her bathtub. Red wax mysteriously appears on her chest, but the editor leaves no mystery about where her spunk shower comes from. It's enough to make a man want to exercise more than his wrists. —K. L.

## SHOOT TO THRILL

**Three-Quarters Erect.** Directed by Robert McCallum; starring Carolyn Monroe, Ron Jeremy, Brigitte Aime, Peter North, Cal Jammer, Persia, Jaguar, Chrissy Ann and Lorrin Mick. Videocassette: *Western Visuals*.

A stupid, poorly acted story, horrible music and only average production values fail to diffuse the explosive erotic power of *Shoot to Thrill*. With seven fucks, *Thrill* provides quantity as well as quality stroking, including four blazing booty bangings, two creamy cum facials and a sizzling double penetration of the exotic Persia. Carolyn Monroe is only so-so in her nonsex scenes, playing a porn director, but when it's pussy-pounding time, she hits her prime, getting it coming and going. *Shoot* blasts off. —W.H.

A stupid story still supplies a *Thrill*.

# RECOMMENDED STROKES

Not all porn movies can receive a Fully Erect rating. In fact, none of the jizz-smearing efforts that popped out of Porn Valley in 1992 slithered off with our highest honor. ## PLUMBER'S HELPER

Would you please publish an interracial special that has Christy Canyon with 18-inch, black stud Long Dong Silver, and also has Ebony Ayes with 18-inch, white stud Long Dan Silver?

Have it start off with Christy and Ebony arguing about who can fuck the biggest prick and take all of it right up to the balls. Christy bets Ebony she can't take all of white stud Long Dan Silver, and Ebony bets Christy she can't take all of black stud Long Dong Silver. The studs come over to settle their bets; Christy is surprised by the size of Long Dong's black cock, and Ebony is surprised by the size of Long Dan's white cock. Christy and Long Dong have sex, and Ebony and Long Dan have sex. Christy and Ebony are moaning, groaning, frowning, pouting and writhing while the 18-inch studs fuck the shit out of them.

## PAY FOR PLAY

I just finished reading HUSTLER's article titled *Whore Horrors (Whore Horrors: The Meanest Hookers in the World, September '92)*, and I am outraged at the stupidity of men who continue to risk their lives by picking up street hookers. Please allow me to offer the following advice to men who enjoy the company of professional women, especially those men who live in or travel to Los Angeles.

By all means, save up your money and call a professional escort service or visit a well-recommended brothel. Recommendations can be found in publications sold in adult-book stores. The women who visit a client at his hotel or home are always more attractive, sophisticated and disease-free than street hookers. Most escort services can be located in a local phone book, listed under Massage, Escort or Entertainment. In Los Angeles, prices for one hour's full service run from \$350 to \$1,000. Most agencies will state a flat fee over the phone, which can be put on a credit card. A cash tip can be negotiated when the lady of the evening arrives. (When negotiating a tip, don't pretend to be wealthy, even if you are, or her price will skyrocket.) If you don't have that kind of money to spare while in L. A., conduct your business and go home. Is your life worth risking for a \$40

hand job from a hooker who'll soon die from AIDS or an overdose?

## RAG DOLL

I'm a stripper, and I like to keep up with the sexy media; I have a question regarding the rock 'n' roll layout of model Minette (*Minette: Head Banger, September '92*): Where did she ever come up with that ultra-hot, red-leather, waist-garter/crotch-harness costume? Zowie! I would love to wear that when I'm doing some of my "Striptease to Go"-grams. Please tell me how I can find that radically gorgeous outfit.

I'd be much obliged.

—Colette

*Twenty-year-old Minette says she made her Head Banger costume out of discarded dog leashes, curtain rings, a bit of fresh paint and her own imagination. Go figure!*

## YES, SANTA, THERE IS A VAGINA

The neighborhood kids call me Santa because every year I make little toys in my workshop that I deliver to a nearby orphanage. I've never been married, and this is my way of experiencing the joys of fatherhood. Besides, those young volunteers in their tight, candystripers' uniforms really get me hard.

The head of the place, a domineering woman in her sixties, thought highly of me, especially after I made her a mobile of several wood-cut Christs. We became close and even fucked a couple of times. She had a gross, sagging body, but with my Budweiser gut and ever-present scent of paint thinner, I take whatever I can get.

This summer, her 19-year-old daughter visited during a break from school in England. I was shocked that this gorgeous vision had sprung from the old bag's loins. She was a healthy brunette who had picked up the sexiest accent this side of Jacqueline Bisset. In fact, with her long, brown hair, slender nose and buoyant, natural boobs, she resembled the actress whose wet T-shirt in *The Deep* made her a prized whack object.

The mother introduced us and described me as a saint. I felt like Jesus taking credit for simple miracles of nature, but with Pauline's breast-loaves multiplying my shaft size, I played the part to the hilt. Her emerald eyes twinkled, and she accepted an invitation to my workshop.

Once inside, we fiddled with the toys. Man oh man, did Santa want to feel her elfin magic. She stared out the back window at the topiary in my yard. She par-

ticularly liked the juniper piggies, and I her sumptuous butt that protruded from her white, cotton shorts, folded just high enough to let the bottom of her cheek peek out. She turned around and caught my stare.

"Pauline," I murmured, "you have a gorgeous little butt."

"Uh huh," she said, smiling like a naughty schoolgirl.

"Could I see it?" I stammered. "Just for a second."

She bit her upper lip and said, "Have you seen my mom's?"

I couldn't lie and nodded, figuring I would thus be denied. To my surprise she turned around, bent over the workbench and pulled the fabric up tightly between her cheeks, until each precious globe breathed a sigh of relief in the open air. Her hand scratched audibly at the dry skin. *Jackpot!* But when I moved toward her, she pulled the shorts quickly back down. "You're old enough to be my father," she demurred.

"I'm very lonely, Pauline," I whimpered, sounding pathetic.

"Tell me what you'd like to do."

"I'd like to pull down those shorts." From my lips to God's ears: I was shocked as she slid the shorts down her long legs and kicked them halfway across the dusty workshop. *What the fuck!* I continued, "Then I'd set you on my workbench..." She pulled herself up until her naked ass scraped the circular saw. "And I'd spread those legs and kiss your little boo-boo." My palms were sweating, and my legs twitched. She spread her long, milky thighs and, with both hands, pulled apart her wet pussy lips. As she clenched her vaginal muscles, her twat's flinch breathed life into my crotch.

"P-please," I stuttered like an idiot, "let me fuck you."

"Did you fuck my mom?" she asked. Again, I answered in the affirmative. She smiled and nodded in the direction of my crotch. "Let me see you."

I slid out of my overalls and unzipped my jeans. She was much too beautiful to ever want a whack-off like me, but, as if in a dream, she walked over to me and pulled her shirt off. Her breasts were tremendously large, with deep-red nipples that felt like fireballs pressed into my chest. She reached down and ran the tips of her fingernails against the underside of my thickened cock. She dropped to her knees and tugged my hammer. I readied myself for the blowjob of a lifetime, but instead, I heard her spit. I looked down and saw a large gob clinging to the head of my rod, attached by a string of saliva to her lips. "So," she cooed, "fuck me, Santa."

She stood and slid her hands down along those firm thighs until she grasped her ankles. The sight of her open pussy shot a sudden pang of guilt through me, like I was doing something wrong. But

shoving my shaft past the velvety lips eradicated any such thoughts. Her pussy was tight and seemed to cling to my shaft like hot saran. I was pumping faster than a buzz-saw blade, and pulled out to prolong the sensation. She squirmed on her back in a pile of sawdust and thrust those long legs skyward. I saw the angelic face of youth as I fucked the years away. I grabbed her tits with my sweaty hands and felt her heart race underneath the fleshy mounds.

My balls slapped loudly against her ass cheeks, and she grabbed a nearby screwdriver. Her face was contorted, crazy with the frantic pace of the fuck. "Slam it to me, Pops!" she screamed, and, believe me, I was ready to fucking

# HOT LETTERS (continued from page 27)

A surge of crazed anger rushed through me. I felt like tossing a match into her silken hair and screaming, "Medication for what, you slutty, fucking bitch?"

explode. She stuck the handle of the tool into her mouth like a big, knobby cock. Her tits were really flapping from the energy as the forceful thrusts slid her body deeper into the piles of dust.

I pulled out and positioned myself over her face, like in porno tapes, and just then the goddamn phone began to ring. I couldn't believe my rotten luck! "Don't answer it!" she urged, and pulled my cock closer to her mouth. But I had mailed in too many Ed McMahon sweepstake entries to just let the fucker ring. I grabbed the grimy phone from the wall above the bench as she tugged on my rod. I felt the first trickle of cum escape my cock when the voice on the line said, "Is Pauline still there?" It was her fucking mom! I was panicked, like a child caught with an open HUSTLER, and a pinky up his ass.

"Santa...?" The old woman's voice hammered through the silence. I could not speak. I looked down at her daughter, who was slurping my cock like an ice-cream treat. I was practically numb when sperm splashed Pauline's slim nose and coated her baby face. She glided her hand along the now gooey and sensitive length of my dick. "Mrs. K..." I finally stuttered into the phone. The young girl furrowed her cum-covered brow. "Yes, Pauline's still here."

A moment of silence hung like a noose around my neck. "Well," her mother said, "tell her it's time for her medication." And with that she hung up.

Pauline smiled like a child with a secret, and wiped her pasty face with a thinner-soaked rag, dipping a finger into her moist folds and touching it to the tip of her tongue. She stuck out her tongue at me and licked her lips. For a moment a surge of crazed anger rushed through me. I felt like tossing a match into her silken hair and screaming, "Medication for what, you slutty, fucking bitch?"

But for some reason, a cute little cum-ball that clung innocently to the bottom of one pink earlobe convinced me to curb my anger.

Pauline left my workshop and, a couple of days later, returned to England. It's been two months now, and none of my limbs have fallen off yet. Assuming she hasn't infected me with anything, this Christmas, in remembrance of Pauline, I think I'll add a more anatomically erect feature to my little Nut-cracker men.

## A TAIL AND TWO TITTIES

I am one of the very small group that scientists have labeled *Homo Caudatus*: I was born with a tail. It was not some long, monkey-like appendage, but a little three-inch stub of skin at the top of my butt. Kids born with them today have them removed immediately. When I was young, however, doctors didn't know as much about tails as they do today. In fact, it was only after my first shower in gradeschool P.E. that I realized I was different from the rest. As a result, I became horribly shy, and for many years kept boys at a great distance.

I was 18 when I met Denny. He seemed like a man I could trust; so after several kissing dates, I decided to give in to his grander sexual desires. His was the first cock I had ever seen. I wasn't sure why he wanted it in my mouth, but he pressed my head down there, and his hand guided my head up and down the veiny shaft. While I tried not to gag, I felt his free hand inching down my back, seemingly searching for my tail. I

felt self-conscious and pulled away.

"What's wrong?" he asked.

"Nothing," I lied. I was afraid. "I'm not like the other girls."

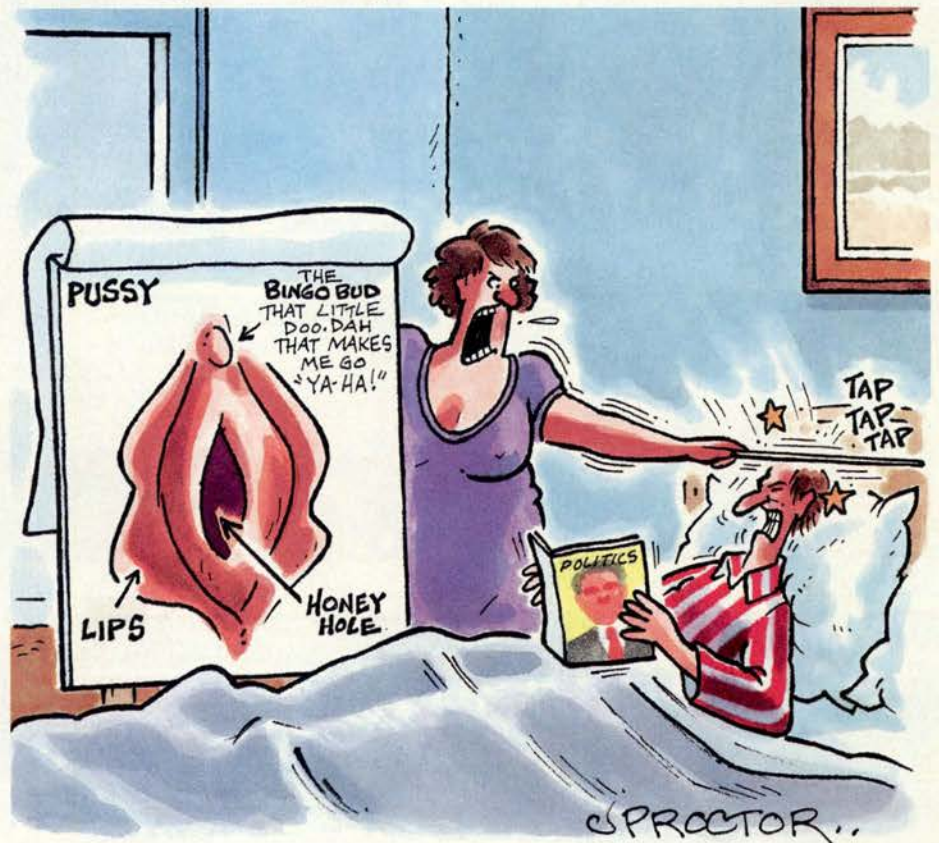

He pulled me closer to him and said sincerely, "I know. I've heard. But that's what makes you special."

He caressed my head, brushing my long, straight hair behind my ears. I really needed to trust him; so I unbuttoned my jeans and slid them to the floor. His hand cupped my breast and, for the first time in my life, I felt a man's tongue press into my nipple. The rosy red bud sprang to life. I pulled my cotton panties down, but still would not turn around. He wedged his hand between my thighs. A weird musty smell rose from my pussy as his hand snaked between my mound, upward past my butt, toward its inevitable goal. I stepped away.

"I want to see it," he whispered.

I slowly swiveled my hips around. I bent over so that my tail stood straight off my back. I could see its harrowing silhouette in the candlelight on the ceiling of his bedroom. I began to weep, fearful of his reaction. I felt his hands spread my ass cheeks apart, as if he were searching for a network of appendages. Then he grasped the base of my tail and moved his grip up and down the tiny stalk. "Don't cry," he calmed me. "You're beautiful."

He stood and rubbed his spit-moist-

"Okay—lissen up!"

ened fingers into my vagina, irrigating the virgin trough. With my back still to him, he set his cock just outside my cunt lips and, as I closed my eyes, he pulled on my tail and thrust forward, popping my cherry with a resounding *squish!* A burning sensation shot through my body, to be replaced by a growing arousal. His taut, muscled thighs slapped loudly against my ass. His grip upon my tail was like a cowboy's on a Western-style saddle, and he rode me grunting and sweating, pushing hard, deeper and deeper inside, with little of the tenderness he had earlier displayed.

I asked him to slow down, but he said that he was about to come and told me to relax. I clenched my teeth and felt a cool wetness slowly cascading down the inside of my thigh. I reached underneath and, bringing the finger to my mouth, tasted blood. Something about the virgin flow made me light-headed. Suddenly I was an animal!

Using a chair for leverage, I pushed my weight backward into Denny's crotch. With each thrust, a loud flesh-slap echoed off the Jake LaMotta posters that covered his walls. I was dizzy and bucked so hard that he fell over. He crashed against his bed's maple headboard with a sickening *thud*.

I remember the surging burn that felt like fire in my hole. Denny was also a mess, with blood splattered across his crotch in smears, like some grotesque kindergarten kid's finger-painting, stuck to the fridge with magnets by a doting mother. I massaged his scalp and felt a huge bump at the base of his neck. He rubbed his nub and asked me, moaning (whether from pain or arousal I couldn't tell), to "finish the job." I put my lips around his penis and bobbed my head like a yo-yo. I felt his little, engorged head twitch as a warm flow of white fluid squirted down my throat. It tasted like my mother's gross clam chowder, and I wanted to vomit; but I kept my mouth there sucking out the last dribbles because it seemed to make him happy.

I was in love and was leaning up to kiss him when he pushed me away. "Get away with that sperm breath," he guffawed, turning his face from me.

I was crushed. He rose from the mattress and slid into his jeans, picking up his watch from the bedside table and strapping it onto his wrist.

"I'm going over to Keith's to watch the game now; so if you don't mind..." He nodded toward his bedroom door.

My ears etched the words like an

Auschwitz tattoo in my brain. I heard his blow-off the rest of that weekend. I was going to tell him how angry he made me feel. It was the first time in my life I was prepared to stand up for myself. I lay awake tossing and turning the night before, planning my speech.

But when I got to school on Monday, Denny and all his football-team friends were wearing long, rubber tails tied around their waists, which bounced against the floor when they walked. They didn't laugh; they didn't say anything, ignoring me completely. The indignation and humiliation I felt that day were beyond anything I've known before or since.

I left that school; I had no choice. After fighting with my parents, who could hardly afford it, I had my tail surgically removed a month later. That made me "normal," but not happier. The stigma was difficult to put behind me. I keep the three-inch nub of skin in a Mason jar in formaldehyde, which today sits on my mantelpiece next to my mother's urn. It's a constant reminder of the inhumanity I suffered at the hands and prick of a foolish other.

# Fear & Sex Uneasy Bedfellows

by Valerie Leigh

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

ILLUSTRATION BY  
QUINN KANEKO

The night was still young when 25-year-old music critic Scott and his older date Ruth returned to his Van Nuys, California, apartment for a nightcap. Dinner had gone better than expected. After blending a batch of Margaritas and filling the room with soft music, he had hopes for much more. The thin, black straps of a low-cut cocktail mini-dress outlined Ruth's smooth, white shoulders like a lacquered frame around a priceless work of art. Reaching out, he grazed the tips of her breasts. His heart raced when she slowly slipped the straps to afford his eager fingers room to roam. Her breasts were like marble, highlighted by the moonlight through

she was willing, and Scott was totally limp.

Most everyone can identify with a fear of heights (acrophobia) or snakes (ophidiophobia), or find amusing extreme examples such as the fear of feathers (pterophobia), flutes (aulophobia) or the Pope (papaphobia). But the fear of sex (erotophobia) is perhaps the greatest challenge to confront and overcome.

Fear and sex are two of the most primal instincts—basic urges that humankind and “lower” animals share. Yet humans have the uncanny ability to complicate their fear—and their sex—with guilt, frustration and insecurity. “Fear itself is a strong effect in actual failure,” says Dr. John T. Wood, author of *What Are You Afraid Of?* “The fear that he will not achieve erection will often cause a man to be impotent; fear of losing an erection can cause it to be lost; fear in general seems to be the greatest barrier to complete sexual enjoyment.”

In terms of body chemistry, the physical transformations experienced during sexual arousal and anxiety are practically identical, according to Dick Gilling and Robin Brightwell, authors of *The Human Brain*. “[During intense fear] our hearts start beating faster, we start sweating, and our hair starts standing on end,” says professor of psychiatry Isaac Marks in Gilling and Brightwell’s book. Gilling and Brightwell agree with him. “Rage, fear and sexual excitement are sometimes grouped together as ‘arousal’ because of their similar body reactions,” they explain. “The mental causes may be very different...but the underlying bodily events may be very similar.”

Dr. Harold Levinson, author of *Phobia Free*, also suggests that the body’s reactions will be similar under conditions producing either fear or sexual impulses. “The autonomic nervous system [which regulates glands and cardiac muscles] is involved in both,” says Dr. Levinson.

Reactions similar to fright and sexual arousal include dry mouth, goose bumps and momentary paralysis. Compare a person’s general reaction to a frightful situation to the changes that occur during the heights of sexual ecstasy, as reported by Dr. Alfred Kinsey in the early 1950s.

Dr. Kinsey noted that the body’s surface temperature increases during sexual arousal and that the eyes tend to dilate and glisten with moisture. Blood rushes toward the surface of the skin, resulting in swollen lips, thickened earlobes and enlarged breasts. In many individuals the pulse rises from its normal rate, about 70 beats per minute, to a very high rate of 180 beats per minute or more, and respiration increases virtually to the point of hyperventilation. Kinsey also noticed a decrease in sensory awareness in his study subjects as they neared the highest point of arousal. The senses of smell, taste, hearing and even touch begin to fade until the individual is unaware of anything going on around him and is virtually impervious to sound, light or pain. Kinsey

the blinds. He wanted to make love to this girl all night long and well into the morning. No sooner had the glorious vision of lust appeared than a sudden, disturbing concern followed: What if he couldn't last all night? He shuddered to think. What if he wasn't as durable or satisfying as the other men in her experience? What if she told her friends about his lack of prowess in the sack?

Ruth peeled her skirt and panties past a bobbing, little butt, beyond slender, high-heeled feet. Moments later, she was naked,

# Partnership for a **LUNG-FREE AMERICA**

**This is your lung.**

**This is your lung on cigarettes.**

## **ANY QUESTIONS?**

Yes! How can a tobacco company like Philip Morris, a leader in an industry that accounts for 2.5 million deaths worldwide every year, contribute money to the Partnership for a Drug-Free America program? In fact, several pharmaceutical companies (like Bristol Myers), alcohol syndicates (Anheuser-Busch) and tobacco kingpins (including R.J. Reynolds) accounted for more than half of the Partnership's \$5.8 million contributions from 1988 to 1991 (*The Nation*, March 9, 1992).

So who says advertising is misleading? Drugs *are* evil. Instead of getting high, simply crack a beer, pop some downers and light a refreshing cigarette. The life you save won't be your own. But the money you spend will at least be theirs.

(continued from page 39)

reported that during orgasm some of his subjects lost consciousness for several seconds or minutes. Orgasms create a sort of altered state of consciousness, characterized by euphoria, momentary loss of ego and contact with surroundings. The French call orgasm *la petite mort*—the little death.

Perhaps the close biological relationship between fear and arousal attracts people to the feeling of fright. Whether parachuting out of a plane or

ejaculating inside a lover, that flirtation with death—*la petite mort*—holds the greatest attraction. "Fear acts as a stimulant, an arousal for some people," says Dr. Levinson. "Some people need fear in order to function better. They'll pick a fight or an argument or anything to get their adrenaline going."

One who is afraid of snakes might gradually put himself in closer and closer proximity with the creatures, until he is able, at last, to let one crawl on his flesh. Sufferers of erotophobia must embrace every opportunity to ease themselves into sexual situations with compassionate partners. Some use a method called repetition compulsion or overcompensation, according to Dr. Levinson. "People who are afraid of flying might become pilots; or people who are frightened of animals might become hunters or zoo tamers; people that stutter might become orators."

To reveal oneself sexually poses perhaps the greatest fear in intimate relationships. During orgasm, a person sees the unguarded side of a lover; climax is a moment of nakedness, physical and psychological. "I think if I had to name the one thing people were most afraid of, I could make a good case for the fear of letting go, of surrendering to something we don't know," remarks Dr. Wood. "We're such rational beings that we won't let go to something we don't know. We are too frightened to abandon ourselves [with a lover]; we're afraid of that ultimate surrender, and yet perhaps it holds for us our most supreme joy."

Repression or subversion of sexual desires contributes in part to the barriers to healthy, sexual fulfillment. According to psychoanalyst Sigmund Freud, people who subconsciously suppress sexual desires at an early age create a breeding ground for latent anxiety and guilt. As these individuals develop, supposedly "taboo" sexual identities are subverted, creating anxiety and unhealthy attitudes about the preferences that bubble inside.

"Healthy, open sexual expression has been repressed in most of us because we remain ignorant of a large area of ourselves," says Wood.

"[People who] have been subjected to punishment, ridicule or rejection because of sexual feelings become afraid of themselves...afraid to openly desire somebody, to give sexual feelings full expression, and afraid of 'forbidden' fantasies that whirl through our minds in dreams."

Nowhere is the psychological interrelationship between terror and excitement more exploited than in the Hollywood image factory. Sex and fright are perhaps a motion picture's two greatest allures. Box offices bustle with eager voyeurs who, for two hours and a few bucks, can vicariously experience the sensations of both. "Horror films...often involve sexuality displaced into aggression," writes Queens College, New York, literature and film professor Morris Dickstein. "The murderer is a voyeur enraged by his own excitement, and the camera appeals to [the viewer's] complicity by putting [him] repeatedly in [the voyeur's] position, seeing what he sees, tempted to feel what he feels."

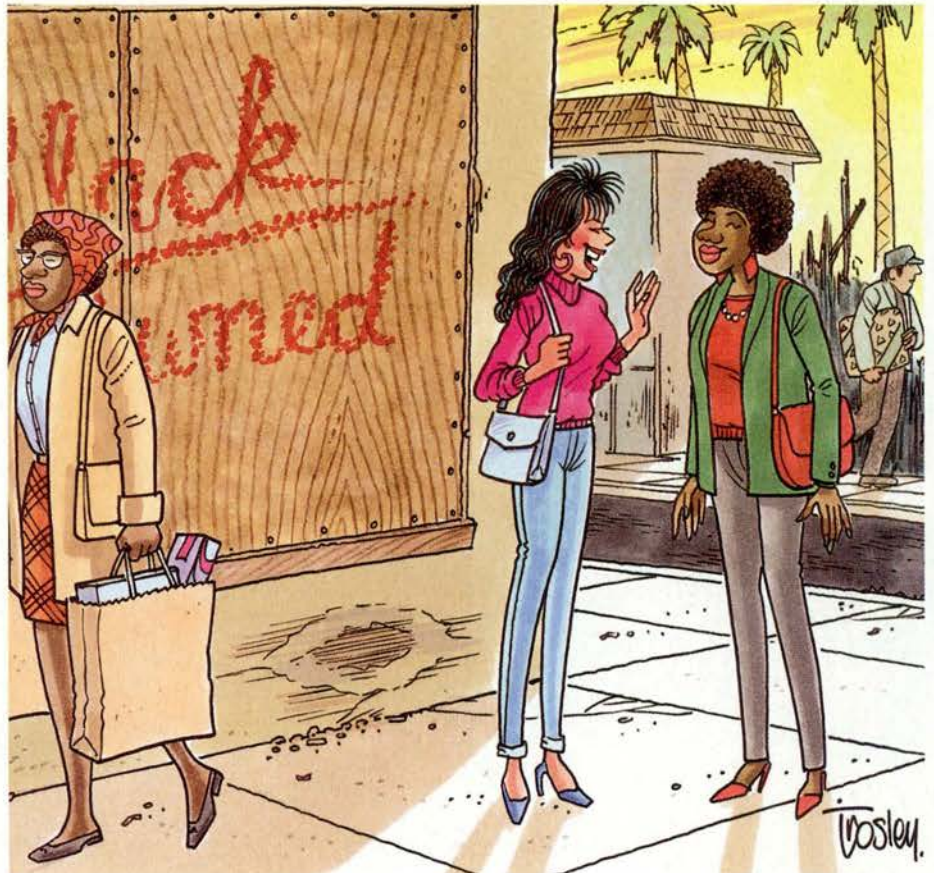

In this context, one sees clearly the psychoanalytical mechanics behind the moviegoing cliché of a horror film stimulating a courting couple into an adrenal rush within the darkened theater, which easily transfers itself into sexual energy. Consider the fatal thrusts of Norman Bates's phallic knife into the nude body of Janet Leigh, during the famous shower scene of *Psycho*; or Dracula's achieving his demonic oral pacification by piercing the necks of virginal women with his long, pointed fangs. The famed

vampire achieved immense popular romantic appeal despite his horrific behavior.

If movies titillate our appetite for the voyeuristic aspects of sex and fear, the rituals of S&M satiate it. Within bondage dungeons, taboo sexual scenarios release forbidden desires. Fear is imperative to fulfillment.

"Fear and arousal are linked," affirms Mistress Jacqueline, one of America's most recognized domms and the author of the whip-and-tell missive *Whips and Kisses*. "Fear can be an aphrodisiac. That's part of S&M—there is a scary element. When someone is all tied up and helpless and maybe blindfolded, they don't know what's going to happen, and they're fearful; but also there's a feeling in the S&M scene of trust, so even though you're very frightened, you really trust someone."

"There are certainly ways of overcoming fear—to channel fearful feelings into positive energy," assures Dr. Wood. "In a relationship, a good way to overcome your insecurities is to be open with your partner. Don't hide the things you're afraid of. One way of eliminating the kinds of fears that keep a man from getting an erection is to talk to the person he's with. Once it's established, that openness can actually initiate a physical arousal as much as anything else generally associated with being a turn-on. One's fear can be, just by changing one's way of looking at it, a signal light, a gate, an opportunity to expand and strengthen one's self." 🌐

## ED McMAHON: TALKING HEMORRHOID ON JOHNNY CARSON'S ASS

When Jack Paar quit TV in 1962, leaving his post at *The Tonight Show* without a host, Johnny Carson was in his fifth year in a game show called *Who Do You Trust?* NBC offered *Tonight Show* helmsmanship to Jackie Gleason, Groucho Marx and Bob Newhart, who all turned it down. In desperation, NBC asked Carson, who brought along his announcer—big Ed McMahon.

For 30 years Big Ed led off the show introducing Carson, his oily baritone booming an ascending "He-e-ere's Johnny!" He sat around like a couch potato, guffawing robustly at lame jokes and ass-kissing everyone, particularly Johnny. He displayed no wit, couldn't laugh like he meant it and succeeded mainly in impersonating the looks of the boozing, lecherous uncle who's got his hand on every teenage girl's butt at family reunions.

McMahon traded on a wholesome, family-man image for years in broadcasting, before and after hitching his caboose to Carson's banty ass. Yet when the family man followed Johnny to Hollywood in 1972, he left his wife and kids.

McMahon became a supercelebrity with his own show *Star Search*. He makes a fortune in Las Vegas nightclub appearances and commercials for a variety of products. His face is plastered all over Publisher's Clearing House sweepstakes envelopes. Who can resist a gamble endorsed by a lucky fuck like Ed?

## BILL WYMAN, BASS PLAYER: THE ROLLING STONE NO ONE KNOWS

A friend told wanna-be musician Bill Wyman that a new group was desperate for a bass player. "Blues music," the friend explained. "Very slow, easy to play."

Wyman met the then-forming Rolling Stones. "Mick, Keith and Charlie were not the sort of blokes I'd have chosen as mates if I hadn't joined them in a group," Wyman noted in his book, *Stone Alone*. If he didn't like them, they hated him. But he was the only guitarist who showed up with his own equipment. And they needed his amps.

Brian Jones organized the band and set the tone; Mick Jagger had nasty-sexy charisma; Keith Richards was the "musician"; Charlie Watts wielded the moniker "genius drummer"; but Bill Wyman

apparently pulled his weight by ceasing to exist onstage, becoming filthy rich in the process.

The Rolling Stones became the world's greatest and sexiest rock 'n' roll band. They far outlasted the Beatles, even though, in the process, Brian Jones accidentally drowned in 1969; his replacement Mick Taylor quit in 1974; Keith Richards supposedly took enough drugs to become radioactive; and Mick Jagger became everything the Stones purported to hate. Still Bill Wyman stood in the shadows, completely unanimated, strumming his bass guitar and chasing young girls. For years, his main squeeze was supermodel Astrid Lundstrom. In 1986, the tabloids were buzzing because he was screwing 16-year-old model Mandy Smith.

Except for "In Another Land," on the obscure *Their Satanic Majesties Request* LP, he never wrote a song. Rarely talked or gave interviews. "I'm an orderly person," states Bill in his autobiography. "Bass playing suits my outlook."

Today, he maintains homes in London and the South of France, as well as an actual castle, Gedding Place, in rural England. He married Mandy Smith in 1989. She was 19. Wyman was a lucky old fuck at 56.

## VANNA WHITE: WORLD-FAMOUS WHEEL TURNER

Vanna, please explain your fame: "I have no explanation. My gosh, I just turn letters on a game show!" she candidly reveals. But, of course, she's selling herself short. She also waves, claps her hands, points to the prizes and chirps, "Bye-bye."

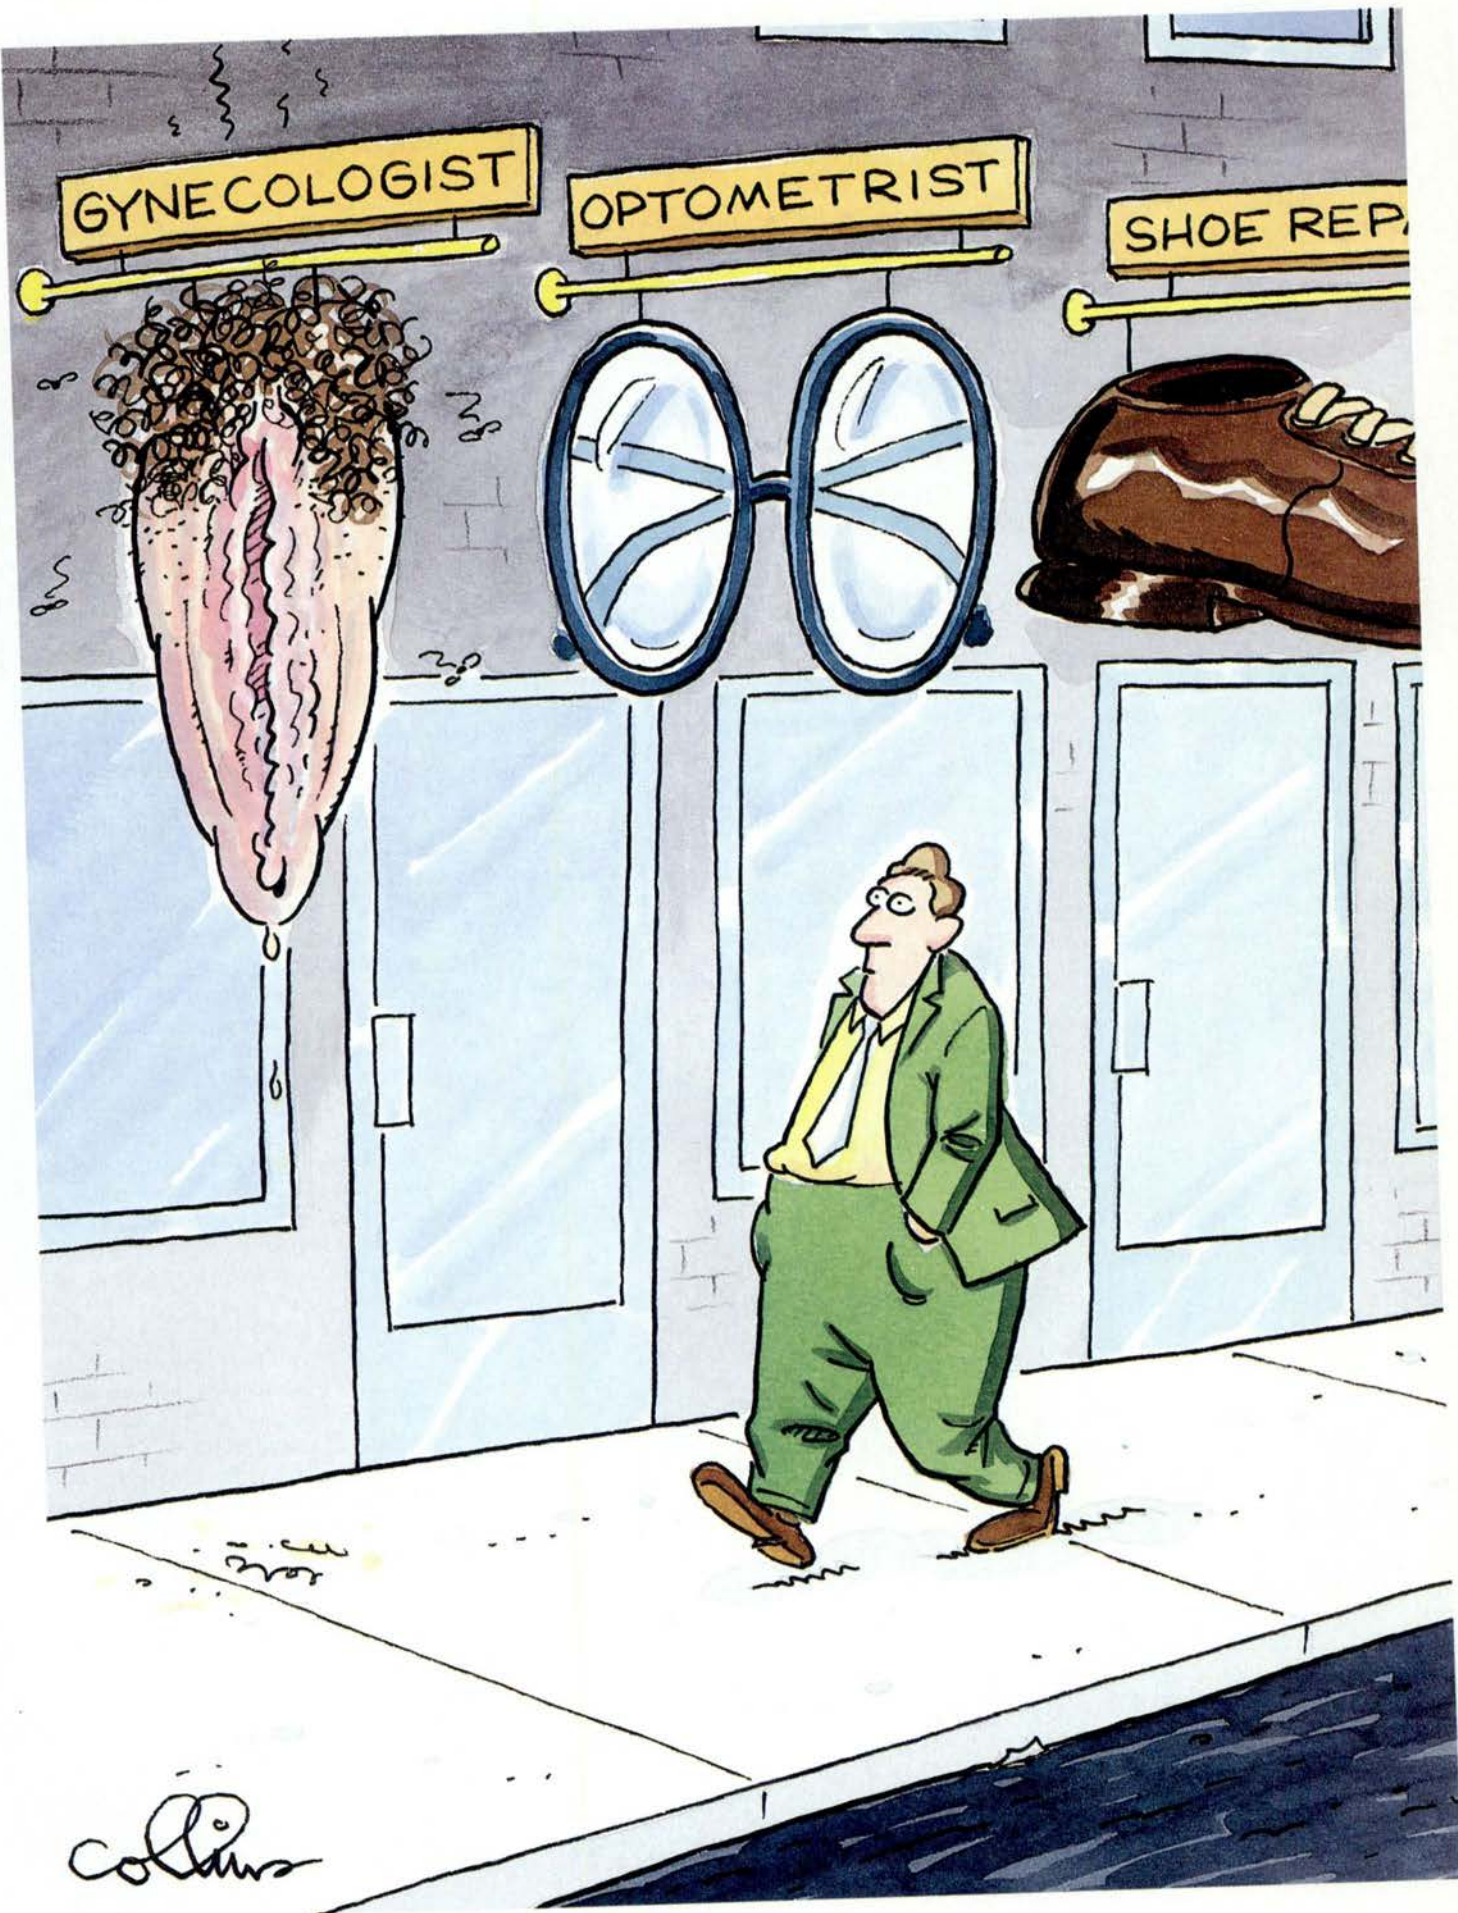

The show she not-quite-hosts is *Wheel of Fortune*, the highest-rated daytime program, boasting a viewership of 43 million. And Vanna White is the world's most famous letter turner.

What explains the appeal of a game that's basically a variation of the old childhood game "Hangman" dressed up with a roulette wheel? A network pact with Satan? Or White, an ex-cheerleader from South Carolina's Myrtle Beach, appearing in clinging, sequined, electric-pink, strapless gowns with stiletto heels?

"I enjoy getting dressed as a Barbie doll," admits the mass-market mannequin. The worst thing that's happened to the million-dollar consonant-and-vowel-perambulator? She claims she broke a fingernail turning the letter M.

A testament to TV's power to bestow fame on just about anybody (not that Vanna appears solely on TV, being a best-selling author, glad to show up at B. Dalton on occasion), Vanna finds her celebrity greatly in demand. She gets an average of three product endorsements a week! Vanna hawks best-selling posters. There's a Vanna White mattress, a Vanna house and, of course, a Vanna doll. And

Had he not been black, there wouldn't have been a chance in hell Clarence Thomas would be planting his ass on the Supreme Court today.

*Vanna Speaks*—her autobiography—can be had for almost nothing nowadays, democratizing her message of lucky fuck-ness. The worthy tome reveals Vanna's worst nightmare: the fear that she'll run out of cat food.

All this, for a sometime actress/model who came to Hollywood in the early '80s, landed a spot as a contestant on *The Price Is Right* and failed to win anything, appearing in bit parts in a couple of schlocky Hollywood horror films before she finally met Destiny as hostess on the wheel.

"I'm never bored," says Vanna, a lucky fuck in more ways than one. "Everything in every show is different."

## CLARENCE THOMAS: LONG DONG SILVER JOINS THE SUPREME COURT

America watched amazed as the Senate Judiciary Committee investigated Anita Hill's claim that Thomas had sexually harassed her while he was her boss at the Department of Education and the Equal Employment Opportunity Commission. "Thomas told me graphically of his own sexual prowess...." claimed Ms. Hill on the stand. "He spoke about acts he had seen in pornographic films."

Championed by Congressional right-

wingers such as Strom Thurmond, Jesse Helms, Orrin Hatch and Alan Simpson, Clarence Thomas denied everything, and, despite a spotty record and a very thin government and judicial career, was sworn in as the 106th Justice of the Supreme Court on October 23, 1991.

Republicans sidestepped Thomas's hard right-wing support, cannily taking the American Bar Association's lukewarm "qualified" rating—a terrible rating for a Supreme Court nominee—and gushing over it as if it were real praise.

Thomas, a black conservative whose professional advances were largely dictated by helpful affirmative-action policies, has often denounced affirmative action programs (perhaps he believes that minorities are *not* best served by programs that help them).

Despite a President who promoted Thomas for his "up-from-poverty" character and his *potential* rather than his experience or record, the suspicion remains that had he not been black, there wouldn't have been a fucking chance in hell Clarence Thomas would be planting his ass on the Supreme Court today. This is one fuck who was truly *born* lucky.

**ALAN THICKE: FAILED TALK-SHOW HOST**

When ABC signed Alan Thicke to a huge multi-year contract to lure him from Canada to head his own late-night network talk/variety show *Thicke of the Night*, the move was preceded by an avalanche of promo hype billing him as the Johnny Carson of the '80s.

Overnight Alan Thicke leaped from obscurity to infamy. Unfortunately for the network, the man they had supposed to be young and hip turned out to be witless and hopelessly square. As one critic put it: "Alan Thicke is worse than boring. He's *aggressively* boring."

*Thicke of the Night* registered ratings somewhere between condo ads and test patterns. On several particular nights, it deserved a perfect Nielson zero.

Insiders say that when *Thicke of the Night* got the ax, ABC was stuck paying the stiff a fortune. Thicke had time left on his fat contract. Rather than take a total loss, the network brass cast him in the thankless role of the psychiatrist father on a teenage schlock sitcom. No name actor wanted to play second fiddle to a bunch of cute kids.

When *Growing Pains* premiered, young girls went gaga for the oldest son, played by Kirk Cameron. In less time than *Thicke of the Night* came and went, Cameron became the top TV teen-idol in America. For the next five years, *Growing Pains* seldom saw the bottom of the Nielson Top Ten.

ABC was compelled to renegotiate Thicke's contract. *Growing Pains* sold to syndication for a staggering sum.

"I always considered myself only a little more entertaining than your uncle Fred at a party," Thicke concedes, with the disingenuousness of a plucky, lucky fuck.

## IVANA TRUMP: EX-WIFE OF ASSHOLE

Ivana's worldwide fame is based almost entirely on her divorce from asshole dealmaker Donald Trump, out of whom she netted an estimated \$25-million settlement. (No wonder she's the most adored woman in her native Czechoslovakia, a country where most people make less than \$1,600 a year.)

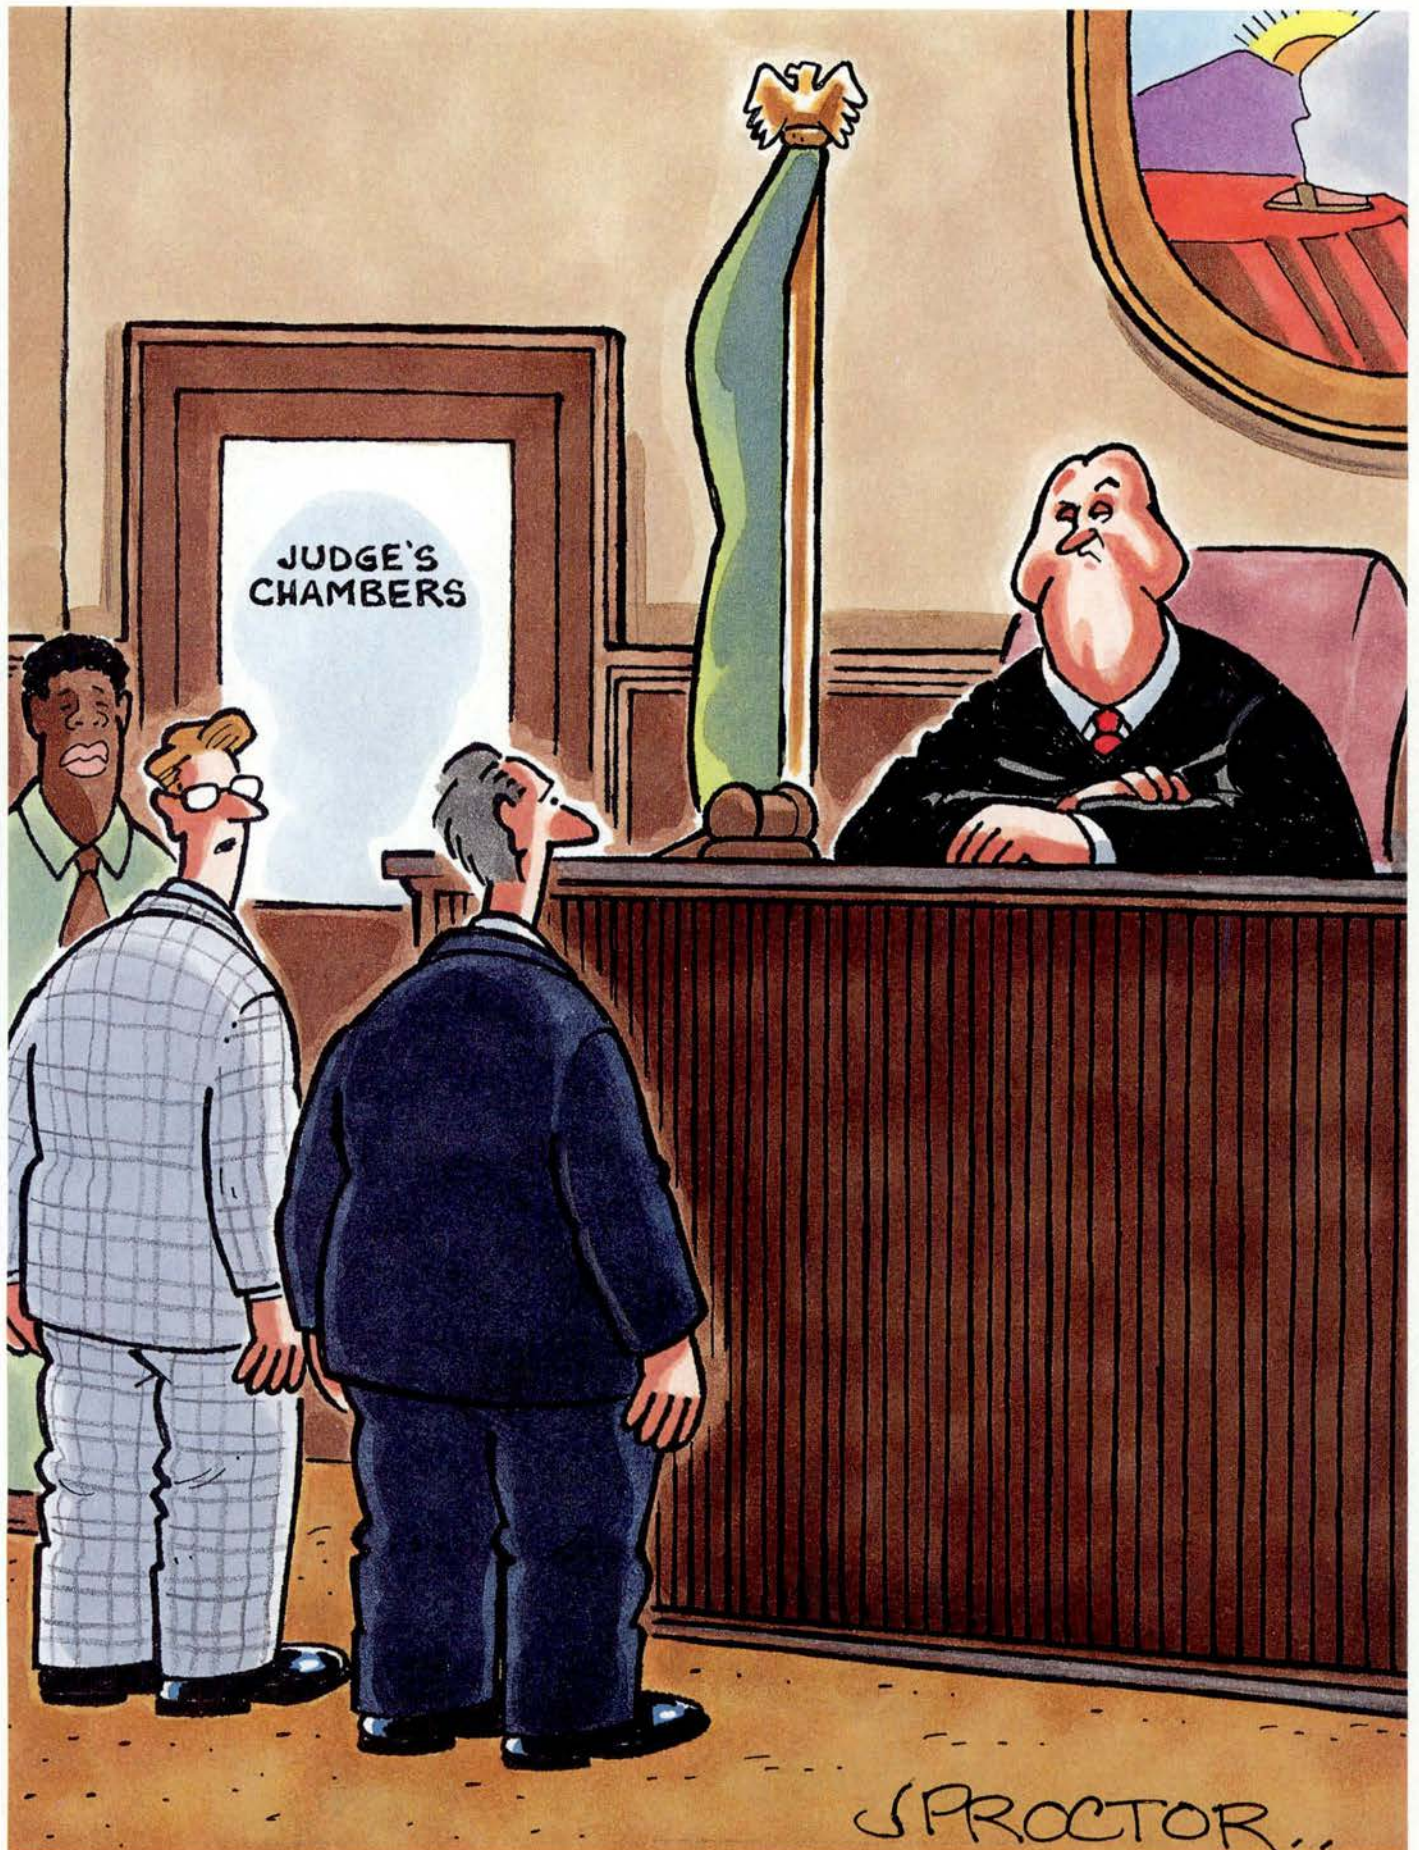

Ivana doesn't reveal much about her life prior to her marriage in 1977 except to brag about a skiing career no one else remembers. She immigrated to Canada in 1973, whereafter she became a self-described "model" and drifted to New York. After meeting real-estate tycoon Donald Trump in a Manhattan yuppie singles bar, she reinvented herself as wife-of-millionaire-and-happy-hotel-executive, helping to manage Trump's Plaza Hotel and Atlantic City hotel/casinos. "It was teamwork," a friend said of the Trumps' bedroom and boardroom marriage. "He put her in charge, and she loved it."

Shortly after Marla Maples came along, bearing headlines such as "Best Sex I've Ever Had"—concerning, coincidentally, Donald Trump—Ivana, the girl who had everything, found herself the girl with a \$10-million, certified divorce-settlement check, an additional

I'm really, deep down, a fucking slimy hog. The cooze crew actually liked me for it and accepted me the way I truly must be.

*Hormonally deranged HUSTLER contributor Cheezboy has taken an inevitable, nauseating, yet fascinating downward skid into the innermost bowels of porn. At first merely an affable outsider, dipping his toes into the refreshing pond scum of the jizz biz, the formerly buoyant bad boy has tragically slipped in over his head and come to rest where bottom-dwellers lie—face down in muck.*

*The following sordid confessional is a hastily uttered diary chronicling the final shucking of Cheezboy's porn-biz amateur status and teetering self-esteem. Here he reveals—in his once-infrequent, now-chronic need for self-flagellation—exactly how an otherwise sane man would allow his face, his voice, his swinging red ball-sac and turgid spuzz-shooter to turn one dick's private tragedy into public domain in a fuck video starring porn-legend Lauryl Canyon.*

I've gotta say, first of all, I'm taking a dump in my bathroom—sitting where, I'm sure, most of my friends and relatives think my life is at this point. I've sucked down four cups of coffee and a pack of

cigarettes, and God strike me dead if it hasn't been ten whole minutes since I lumbered out of bed. I'm feeling a little bit sappy. A little nostalgic. A little like hurling my intestines.

Ever since I've been able to shave, people have talked far and wide of the legend of Cheezboy—the gross, sick pig who, miraculously, wooed women with a waddle and scored like a fiend. They couldn't believe that such a pig bastard could get so much pussy. It wasn't so strange, then, that I fell into research for HUSTLER. Up to the time I inaugurated my jizz-journalistic career at HUSTLER, my experience with the world of pornography consisted entirely of whacking to mags. I'd never even rented porn tapes. Suddenly my name and derring-do (*Thad's Sin Shack: Doin' That Sleazy Swing Thing—An Illicit Expedition With Cheezboy*, January '91) stood on the pages of the king of men's magazines, smack dab between a greased, ginch sucking pole (*Jolie and Jim: Sand Blastin'*, January '91) and a ditzy Colorado chick who thinks sperm makes the best skin lotion (*Holly: Soft 'n' Easy*, January '91).

After prowling hick-town dregs for

America's best-bargain hookers (*Truck-Stop Romeos and the Girls Who Take Them for a Ride—Beaver-Buying Spree with Cheezboy*, March '92) and humiliating myself with a blow-up love doll (*Milk Maid and the Man*, August '92), HUSTLER considered me broken in sufficiently to cover the 1992 Consumer Electronics Show in Vegas (*The Great Las Vegas Smut Convention: A Mecca of XXX Muff—Revelations in Raunch With Cheezboy*, August '92)). I felt like a duck finding water for the first time. All of a sudden I was surrounded by porn stars—beautiful chicks, all of 'em—and I was partaking in the action, a gruesome, belligerent horndog. But instead of running away or laughing at me, as most people do, these girls wanted to hang out with me and get to know me better! They thought it was great that I was drunk and out of control, spewing a bunch of rude shit! By anybody else's definition, I was a fucking scumbag. They liked it. I've always considered cheap booze a truth serum—which means that I'm really, deep down, a fucking slimy hog. The cooze crew actually liked me for it and accepted me the way I figure I truly must be.

*[Tape inaudible. Crying sounds.]*

Like every patriotic young American, I was taught that pornography was bad. I couldn't help but beat myself up emotionally because I loved doing what I knew was wrong—wrong for myself, wrong for my country. I've knocked off at least ten pounds in nervous sweat alone. Not to mention all I've pooped and puked.

It started last winter in Las Vegas when I schmoozed a guy named Dale. He saw that I attracted the actresses in some strange, nearly magical way. Was it my cologne? My twinkling eyes? Or my compassionate gift for tongue-kissing people with vomit breath?

A couple of months ago Dale hit me up to play an on-screen host, interviewing bod-goddess Lauryl Canyon for an X-rated video to be distributed through her fan club. The part called for no nudity. I thought it would be a hoot.

Excuse me for a moment. I gotta wipe.

*[Tape inaudible. Scraping sounds.]*

He pitched the idea to me. The tape would show Lauryl doing everyday things, like laundry, pumping gas, grocery shopping—with a few flashes of tit or puss thrown in. At the end he thought she might do a little clit-buff scene. Of course I agreed. I secretly schemed to be just off-camera at that point, lost to the world in a dick-tugging frenzy. Two thumbs up. Three, counting my willie!

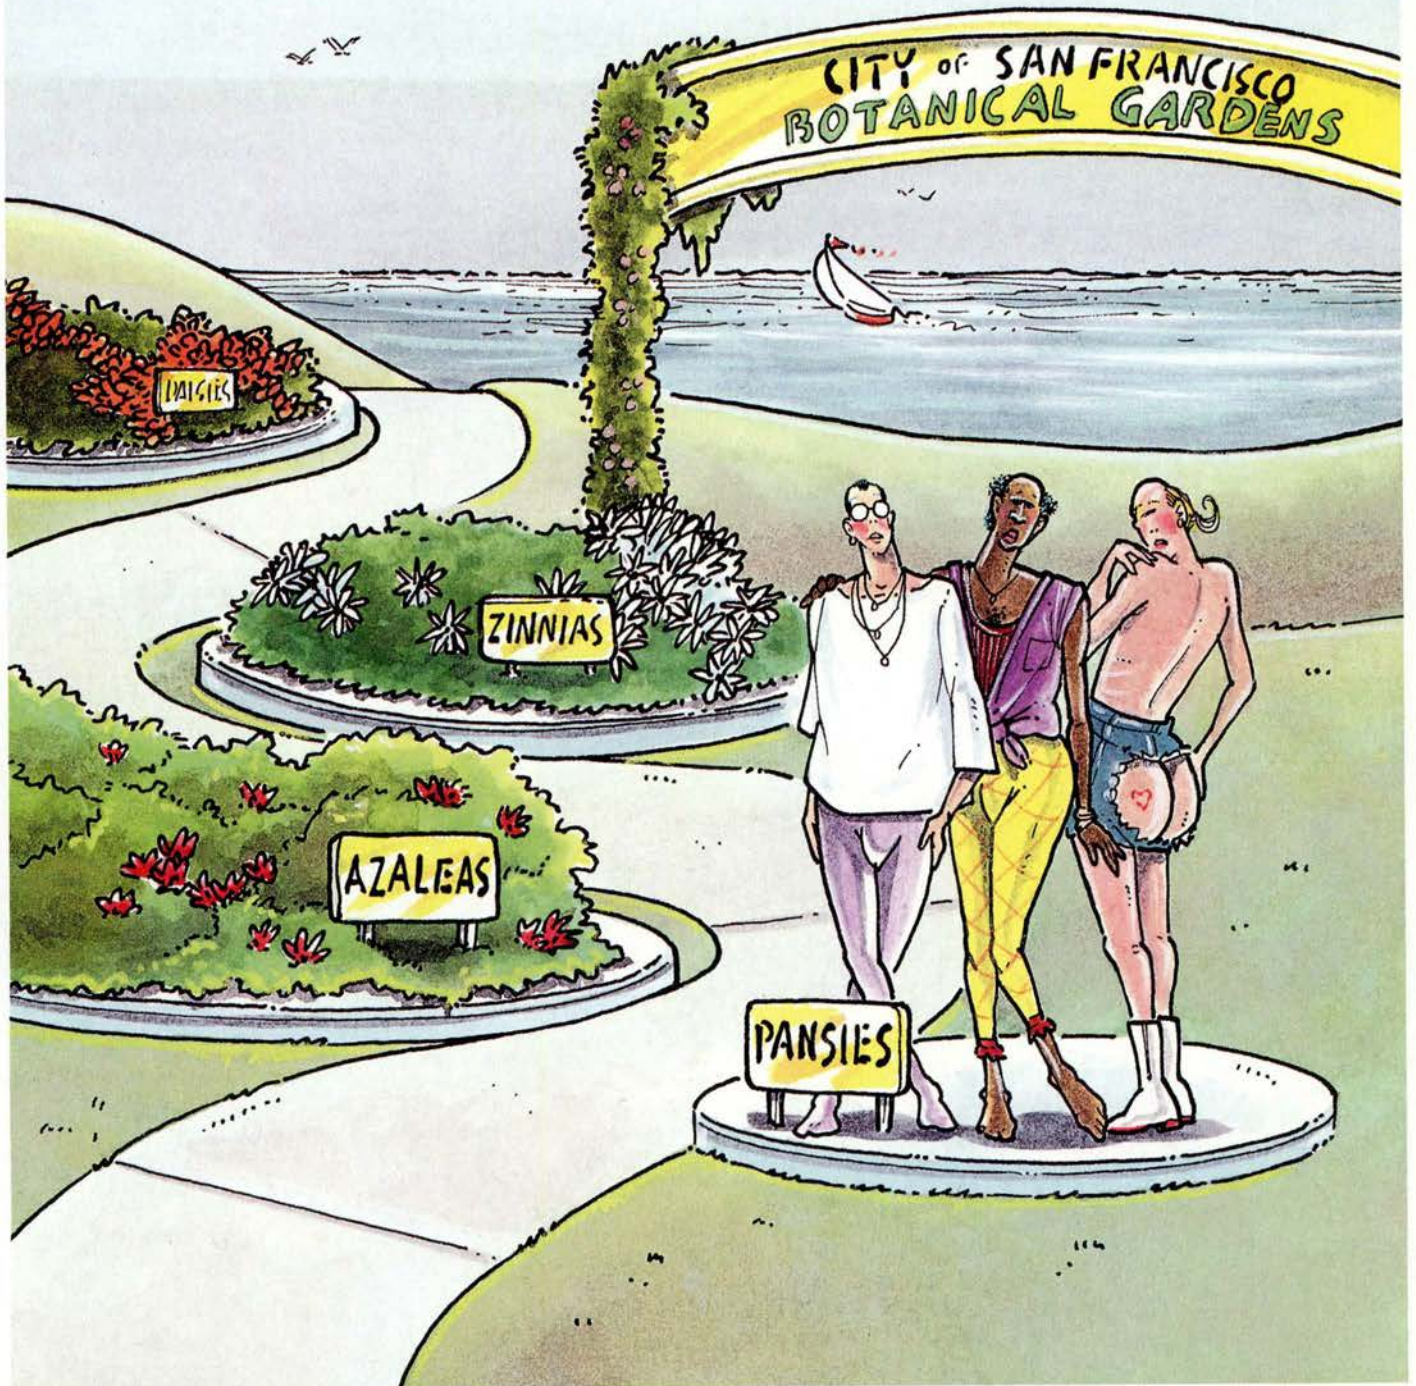

They showed up at my office on a Friday night. We were supposed to go to a

## George Bush's Secret Pile of Skulls

Report by Al Hazrad

Over decades as a government hatchet-man, George Bush greenlighted murder, torture and more. Wimp factor? Not for this madman.

ILLUSTRATION BY SPAIN

# BLOODY BUSH

SNG soldiers used machetes to hack the children to death and fed their tiny, dismembered corpses to the village pigs.

●In August of 1981, Vice President George Bush toasted an old friend and much-beloved, elder statesman for his "service to freedom and to our country."

"We love your adherence to democratic principle and to the democratic process," Bush rhapsodized. The freedom-lover thus honored? President Ferdinand Marcos—corrupt, blood-stained former dictator of the Philippines.

●On October 26, 1976, while Bush was CIA director, Luis Posada Carrilles, a former CIA demolitions expert, blew up a Cuban airliner as it took off from Barbados, killing 73 men, women and children on board. Posada Carrilles was jailed in Venezuela for his crime, but in 1985 unnamed, wealthy friends engineered his escape. He immediately found work in a program then-Vice President Bush supervised to aid the Nicaraguan Contras. He was hired by Felix Rodriguez, a resupply specialist who reported directly to Bush. The reason Rodriguez gave for hiring murderer Posada Carrilles? "I felt I had no choice...."

●Under the leadership of George Bush, the CIA instigated a novel way of testing its new recruits under pressure. The Company sent unsuspecting trainees from Langley, Virginia, CIA headquarters into Washington, D.C., in

disguise. Local police picked them up and planted dope on them so the Agency could screen trainees' ability to withstand the interrogational heat without blowing their cover. The dirty trick worked fine until an eager police-woman forced a young, female CIA operative to strip naked and bend over, whereupon the cop slapped on a greased glove and began a deep probe of the spookette-in-training's body cavities. The young operative shared her vocal objections with the press.

●In 1985, when Vice President Bush was allegedly involved in supporting the Salvadoran military, reporter Elizabeth Hanly visited a Honduran refugee camp, where a Salvadoran peasant woman described to Hanly an incident involving the Salvadoran National Guard. SNG soldiers had come to the woman's village in U.S. helicopters, abducted her three children along with many others, used machetes to hack the children to death and fed their tiny, dismembered corpses to the village pigs.

"The soldiers laughed all the while," the weeping mother told Hanly.

●According to award-winning British journalist William Shawcross, the torture repertoire of SAVAK (the Shah of Iran's secret police—CIA-trained and supported before,

during and after Bush's 1976 tenure as CIA director) included whippings, beatings, electric shocks, pulling out nails and teeth, pumping boiling water into rectums, hanging heavy weights to testicles, inserting broken bottles into anuses and rape.

Soon after the Shah was overthrown in 1979, television crews were admitted into a SAVAK torture center in Tehran. In a basement area steel beds were found, with adjustable wire-mesh tops, on which victims were strapped and slowly lowered over burning coals. Left behind among the ashes were two severed, roasted human hands.

\* \* \*

Behind George Bush's affable facade lurks the hard heart and amoral mind of a killer Cold Warrior. Like his father, Prescott, an American financier linked to several corporations with Nazi ties before and during World War II, George Bush is not the kind of butcher who gets his own hands dirty, but the kind whose green light authorizes extreme measures for the "right" cause, ensuring that heinous deeds get done.

When Bush was brought in to head the CIA, a post he held from November 1975 to January 1977, the Company was going through a period of administrative turmoil. Revelations about its covert operations, by insiders such as renegade former agents Philip Agee and Victor Marchetti, coupled with a Congressional House investigation led by Otis Pike and a Senate inquiry by Frank Church, had put the Agency under unaccustomed public scrutiny.

Allegations of torture, drug running, assassination and spying on U.S. citizens were clearly a threat to CIA autonomy. Government careerist George Bush was President Gerald Ford's choice to clean up the CIA's image. Bush wasn't a career spook. He was a certified blue blood who'd served recently resigned President Richard Nixon in a number of posts, including stints as United Nations ambassador, head of the Republican National Committee and envoy to mainland China.

Polishing the CIA's torture-happy image was the job at hand. According to John Stockwell, a Company agent disgusted with CIA activities who went public with his outrage, Bush felt that his primary mission was to reassure Agency operatives they indeed had a license to kill.

"I worked for George Bush at the end of the Angolan operation, when he was CIA director," states Stockwell in his Company memoir, *The Praetorian Guard*.

"We had broken various laws, and we had perjured ourselves to cover it up—'we' being Secretary of State Henry Kissinger and CIA Director William Colby. Bush's policy was not to investigate, not to dig out the truth and not to punish the perpetrators in order to discipline and clean up the CIA. His policy was to cover up for [whatever we did]. He called it 'restoring the CIA's morale.'"

In Angola, beginning in 1975, the CIA's

"Women told stories of sons and husbands set on fire and of women hanging by their wrists, breasts cut off and facial skin peeled back, bleeding to death."

unauthorized, secret support—first for the FNLA under Holden Roberto and then for UNITA under Jonas Savimbi—fueled a deadly civil war. Savimbi was a CIA puppet who openly boasted that he used U.S.-supplied Stinger missiles to shoot down commercial jetliners. (Years later, as President, George Bush saw to it that Savimbi continued to receive all the Stingers he wanted.)

The U.S.-driven Angolan war left mountains of dead, armies of mutilated living, and reduced a thriving economy to rubble. The American Red Cross estimates more than 20,000 walking-maimed in Angola. Central Angola, once a thriving agricultural region, became a famine zone.

CIA Director Bush vowed to Congress that he would investigate the agency's illegal Angolan operations. Instead, according to Stockwell, who was director of the CIA's Angolan task force, a young lawyer went to Stockwell's office to remove documents verifying Congressional accusations. Afterward, Bush went before the committees and testified that no CIA files corroborated any of the Congressional allegations. Congress suspended its investigation.

Stansfield Turner, a Navy man who suc-

ceeded Bush as director of the CIA under President James Earl Carter, notes that the Agency's staff was very fond of George.

"The reason they had a great love for George Bush was that he let them do whatever they wanted," Turner declares. "He came in and said: 'What do you want to do?' And then he said: 'Okay, go ahead and do it.' "

Perhaps hacked Salvadoran children or roasted Iranian dissidents—or even the untold thousands of victims tortured, murdered and "disappeared" in Latin America—are an acceptable price to pay abroad for the protection of America's democratic institutions at home.

But such an assertion crumbles when American citizens, or foreigners granted our civil guarantees and protection, are massacred on the streets of our nation's capital—which is exactly what happened to Orlando Letelier, the former Chilean ambassador to the U.S., and his young American associate Ronni Karpen Moffitt, on September 21, 1976, toward the end of Bush's tenure as CIA boss.

Letelier and Moffitt were both killed on Washington's Embassy Row, when a bomb placed under their car exploded. According to an FBI investigation, the murder was com-

mitted by Chilean agents of Augusto Pinochet, the military dictator who overthrew Salvador Allende's freely elected leftist government in 1973.

Allende was killed during the takeover, which some claim was engineered by International Telephone & Telegraph (ITT), and Chile was plunged into the predictable cycle of torture, mass murder and "disappearances" that make up the hallmarks of Company intervention.

Reports indicated that the Letelier/Moffitt hit was carried out by members of Operation Condor, a project of six Latin American intelligence agencies linked together for (in the words of a September 28, 1976, FBI cable) "the formation of special teams...who are to travel anywhere...to carry out sanctions up to assassination."

Documents made public in 1988 indicate that Bush secretly fought against the Justice Department to restrict the investigation of the Letelier/Moffitt murders and of CIA involvement with Pinochet's fascist regime in general.

"I mean to do whatever is necessary...to protect intelligence sources and methods," Bush said at the time, in a memo to White House officials.

An anonymous senior CIA official quoted in the *Los Angeles Times* said that Stansfield Turner's description of Bush as an anything-for-the-agency whitewasher was "exaggerated." But the official agreed that covert action was something George Bush felt comfortable with. "He is a supporter of having that instrument of power available," claimed the unnamed source. "He will use it as it should be used—as a surgical instrument."

As Vice President under Reagan, Bush took a special interest in Latin-American affairs. According to Elizabeth Hanley, when she interviewed Salvadoran peasants in their Honduran refugee camp during Bush's second term in office, women still had tears in their eyes as "they told stories of sons, brothers and husbands gathered into a circle and set on fire after their legs had been broken, or of trees heavy with women hanging by their wrists, breasts cut off and facial skin peeled back, all slowly bleeding to death."

The helicopters, gasoline, guns, ammo, machetes—practically everything but the trees the women hung from—were delivered to the Salvadoran military courtesy of the vice president.

Bush's active administrative responsibility for Latin American policy put him into contact with—among others—a Panamanian thug named Manuel Noriega (whom he would later turn against) and Oliver North. According to *The Los Angeles Times*, National Security Council officials stated Bush took a personal interest in efforts to aid the Nicaraguan Contras. North, who ran a secret effort to find funding for the rebels, told associates that he considered Bush one of his most effective sponsors in the White House.

# BLOODY BUSH (continued from page 86)

Bush's nurturing of the Contra operation re-empowered Somoza's secret police, whose tyranny left thousands of Nicaraguans dead or wounded.

Bush's nurturing of the Contra operation re-empowered ex-dictator Somoza's murderous secret police, whose factious tyranny (according to *The New York Times*) had left thousands of Nicaraguans dead or wounded.

While the U.S. press remains largely silent about the legacy of torturers and murderers Bush supported throughout his terms as Vice President, foreign journalists report such carefully orchestrated terror campaigns as that against supporters of the Sandinista government—a government voted into office through elections that, according to international observers, were some of the most honorable in Latin American history. One account of the fate of Sandinista community workers captured by the Bush-condoned Contras comes from the *Manchester Guardian Weekly* of November 25, 1984: "Rosa had her breasts cut off. Then they cut into her chest and took out her heart. The men had their arms broken, their testicles cut off and their eyes poked out. [Men] were killed by slitting their throats and pulling the tongue out through the slit."

During the same year, reporters for Australia's *National Times* and London's *New*

*Stateman* reported the cases of a 14-year-old girl who was gangbanged, decapitated and set on a stake at the entrance to her village as a warning to Sandinista supporters; of a person who was bayoneted and an 11-month-old baby who was beheaded; of finding the body of a child who had been shot repeatedly "as though she had been used for target practice," and of dozens of similar horrors.

According to a 1981 report by America's Watch and the American Civil Liberties Union, during the first year of Bush's vice presidency, officially sanctioned torture in El Salvador reached extraordinary proportions. Of the thousands of corpses that appeared after detentions and abductions of security personnel, a high percentage bore evidence of torture, including dismemberment, beating, acid burns, flaying, scalping, castration, strangulation, sexual violation and evisceration.

In 1981 the report of a three-person congressional delegation to the House of Representatives Committee on Foreign Affairs outlined a few of the Salvadoran army's methods for discouraging peasant help to the insurgents: "Children around the age of eight [were] raped, and then they would take their bayonets and make mincemeat of them...the

army would cut people up and put soap and coffee in their stomachs as a mocking. They would slit the stomach of a pregnant woman and take the child out, as if they were taking eggs out of an iguana."

The inhuman policies Bush pursued throughout his career have in many ways proven politically successful. Nicaragua has been beaten and starved into submission; Guatemala remains under the control of U. S.-approved generals and, even though an insidious slide toward democratic pluralism seems underway in Chile, El Salvador and elsewhere, the status-quo military remains entrenched.

Along with hundreds of Americans, thousands of Iraqis and Kurdish nationalists, men, women and children—whom the Bush Administration first encouraged to revolt, then left holding the bag—died during the "surgical" bombing of urban targets and the chaos that followed Bush's Persian Gulf victory. As many as 100,000 Iraqi soldiers may have been buried alive while squatting in their bunkers during the Allied bombardment phase, or burned alive while trying to flee during ground attacks.

The President said of the Persian Gulf War, "It's not about oil"—yet hindsight clearly shows America's best gave their lives to placate oil-hungry U.S. client allies.

In his vice-presidential years, Bush's focus on military aid to Latin America was purportedly based on his moral imperative to stop the flow of illegal drugs into the U.S.—yet we are more dope-riddled here than before Bush gave his support to the drug-running Contras.

Bush's investment portfolio is well diversified. His economic interests currently span the globe. The Bush clan will be wealthy no matter which country is at the top of the economic heap. It's of little real concern to him that America used to be the industrial leader of the world—that in the brave new era of global economics, most manufacture is consigned to lower-priced laborers in South America and the Pacific Rim, and their higher-skilled (and better-unionized) brethren in Western Europe.

Bush's Gulf War conduct does indeed show Americans play a key role in the New World Order—a role for which the poverty-stricken, only-the-strong-survive conditions of our inner cities make us ideally suited. America's decaying urban areas are nothing less than boot camps. If we are to become the crooked cops of the world, working for the rich and only the rich, George Bush's America will need a tough, demoralized citizenry from which to draw the mercenaries whose funerals will be paid with a contemptuous flip of the checkbook.

Warring leaders of Mongol hordes crafted pyramids made of the piled skulls of their vanquished foes. The Gulf War alone yields a nice-sized skull-pile for George Herbert Walker Bush. As he nears retirement age, it's hard to imagine a more fitting monument to his many years of public service. ☹

"Slow night, girls?"

## THIGH HOG (continued from page 68)

We were getting totally gross, smearing pizza all over each other, humping like swine in a pen. And then she snapped.

nearby hotel to shoot an interview scene with Lauryl in the suite's bedroom hot tub. Lauryl resembled the proverbial little slice of heaven in a big way. She was wearing a lavender mini skirt and a black bustier.

Dale and his assistant Dean headed to the grocery store to get some props, booze and snacks. Lauryl hinted that she was hungry; so I took her a couple doors down to my local pizza hangout. Like buzzards hovering over fresh, wet roadkill, the pizza guys wouldn't stop circling around her. Finally, one ballsy fuck asked if he could snap a shot. Lauryl obliged, but told the dough boys to head for the back room. Jaws clanked to the floor when she started stripping for them, holding her snatch open, totally blowing their little minds! Mine included!

After checking in at the hotel, Dale made us rehearse a scene. Luckily, I had been drinking; so it was relatively painless. Still, I just felt like a cheap porn geek—lardo I may be, but Brando I ain't.

When we were finally ready to roll, Lauryl did a little striptease and popped into a bathing suit that looked absolutely stunning against her dark tan and plat-

inum mane. There were way too many bubbles in the Jacuzzi. It looked like an enormous, psychotic soufflé. I was checking out the zillions of romantic candles all around when Lauryl whipped out an inflated floaty toy. "Put it on," she told me. I didn't know until then that I was expected to get in the soup with her. I stripped down to my happy-face boxers and pulled the float around my gut. She whipped off her suit and hopped in. We sat in the spa, a little buzzed and cozy, and started the interview. The questions faded away as we spilled into conversation. She rubbed my leg. I rubbed hers. Without warning we aborted the mission and started making out. I ditched the inflated pool toy.

I felt her hand reaching for my cock. Twisting it around, she wormed it out through the hole in my shorts and gave it a few strokes. I can't explain what I was thinking at that point. I was in a trance, oblivious. Of course they were still filming—but in total silence. Instinctively, I pulled her out of the water and propped her on the ledge. I knelt down, started macking on her box. It was sweet, wet,

warm, and she was digging it *big*.

At this point I couldn't help but notice intensely bright lights over my shoulder, the fucking spotlight shining right on her clam as I lapped. I rationalized, while my tongue darted and slid, that they weren't putting any *real* sex scenes in the flick. Then dread crept up. My main goal in life is a mainstream music career. I saw Maurey Povich paying cold cash for footage of my cock, ruining my reign as *Billboard's* chart king.

Reality, actually Lauryl's squeezing thighs, righted my brain. She was really panting, about to pop. I stood up and pulled her legs back, then rammed my crank inside her pussy. I don't remember ever boffing more passionately, with any more emotion, than at that moment. Dale and Dean were no longer in my mind. But after ten minutes of crazy pumping I got a cramp in my leg and tried to change positions. I wanted to throw her on the bed and really *make love* to her. I pulled out. Immediately she asked me if she had done something wrong. (She was so sweet.) I told her, *fuck no*. I just wanted to get on the bed, but she was kind of hurt, taking it personally. She wondered what she had done to piss me off. To reassure her, I scooted into a more comfortable position and resumed drilling, perched on the tub's coping.

Suddenly, there was a knock at the door. Tom and his wife, who own the pizza shop near my work, came by with more food. I felt weird. Here were two normal, unsuspecting people, walking in on a porn set—and they got my big, fat, naked ass right in their face.

We broke for some booze and a couple of bites. Dean, who thinks he's Mr. Bondage, pulled out a tiny whip and swatted Lauryl's clit while the rest of us dined. I was well stewed by that point and felt a bit frisky. I grabbed Lauryl and pushed her back on the floor so I could lick her slit. She fed me scraps of her pizza slice in between nub licks. The next thing I knew, we were getting totally gross, smearing pizza all over each other, humping like swine in a pen. And then she snapped.

Crying hysterically, she told me that the movie wasn't turning out at all like she wanted. It wasn't beautiful, sensuous, mysterious. That was all she wanted, a seductive, teasing, behind-the-scenes peek for her friends and fans. Instead, we were acting out all the low-budget porn that she had come to detest and I had come to call my own.

Everybody left the room. I tried to calm her down, but it was one of those drunk cries, a real mind puke, when all the true

"Honest, Mom...college hasn't started me smoking or drinking."

## THIGH HOG (continued from page 98)

The black chicks started yelling, "You people are filthy, white, fucking pigs. You white pieces of shit!" I fingered Lauryl's box.

feelings spill out. I didn't want her to wig out and try to drive home drunk. I begged her to stay the night and talk it out with me. It was time to hit the lights.

Dean snored on the hide-a-bed while Dale muscled into bed with Lauryl and me. At about 3:00 a.m. I woke up. Lauryl was clinging to me—gorgeous, beautiful, sublime. I caressed her gently. She responded. I brought my fat lips to her ear, whispered that I'd like to make love to her. She smiled, said yes. We moved to the floor. It was amazing, doing it just for ourselves. I rolled on my back, gut up. She saddled and rode. In the moonlight from the hotel window, I finger-traced her silhouette, her deep tan-lines and silvery hair. It was all too much. I asked her where I should come. She said she wanted me to do it *inside her*.

I have to interrupt myself. I've been sitting here on the crapper for a while, contemplating flushing. After I poo, I don't judge the success of my bowel activity by how it makes me feel. I think, *Did I shit a lot or just a tad?* And I may not have a response. But then I look into

the bowl, as I'm doing now, to gaze upon the fruits of my efforts. Sometimes I see a big, old log—or many huge logs, in some cases. And I feel better about my life. But I have to see it first. Why can't I just feel it?

*[Tape inaudible. Sobbing sounds.]*

After cuddling for a few minutes, Lauryl got up to get a drink. One look at her ass, and I was hard as a rock. I snuck up behind her and shoved it slickly in. Within three minutes I had blown another load. We climbed back in bed and snuggled together under the silky sheets until morning.

We met up the next day in Marina Del Rey. Dale wanted us to do an interview scene on his friend's boat mid-ocean. It turned out to be less of an interview and more of a heart-to-heart. I started to sense that Dale was getting a little pissed, maybe out of jealousy, maybe because Lauryl and I were acting like a pair of sappy honeymooners. After our chat she scampered up to the bow for a whack scene. She started fingering herself, then invited me to join in. Well, wouldn't you know it, we ended up sucking and fuck-

ing on the tip of the ship. I had spun around so that all the camera could see was her beautiful body riding on my plump thighs, scarlet bag a-swingin'. I scanned the horizon in mid-pump and realized that we were entering the mouth of the harbor. Fishing boats, families and a lone helicopter all got an eyeful. I tried to go for an oral goop shot but was unable to balance myself properly; so I blew on her tits. After rubbing it in, she sat on my lap and buffed her crumpet. Lauryl's a beautiful person to watch come.

Later that night at a Moroccan restaurant, while Lauryl was busy flashing the goggle-eyed waiters, my beeper went nuts. It was Ron Jeremy. He wanted to hook up with us later. I told him I'd call back with details. After chowing we were picked up in a limo. Just as we jumped in, two girls off the street wandered up to see what was going on. They ended up joining us after, of course, signing model releases. We cruised Hollywood Boulevard. I begged to gnaw on Lauryl's ass. She obliged me.

At first I believed that the tinted windows would provide privacy for my anal noshing. Not so. The glaring camera lights turned the limo into a rolling fish-bowl. We pulled up to a car full of black chicks. They started yelling, "You people are filthy, white, fucking pigs. You white pieces of shit!" I pulled my cock out and started fingering Lauryl's box. She wanted to come; so we rolled down the window, and she shoved her cunt out. That got 'em riled. Their racial slurs were obscured by the howling of my beeper and Ms. Canyon's hoots of joy.

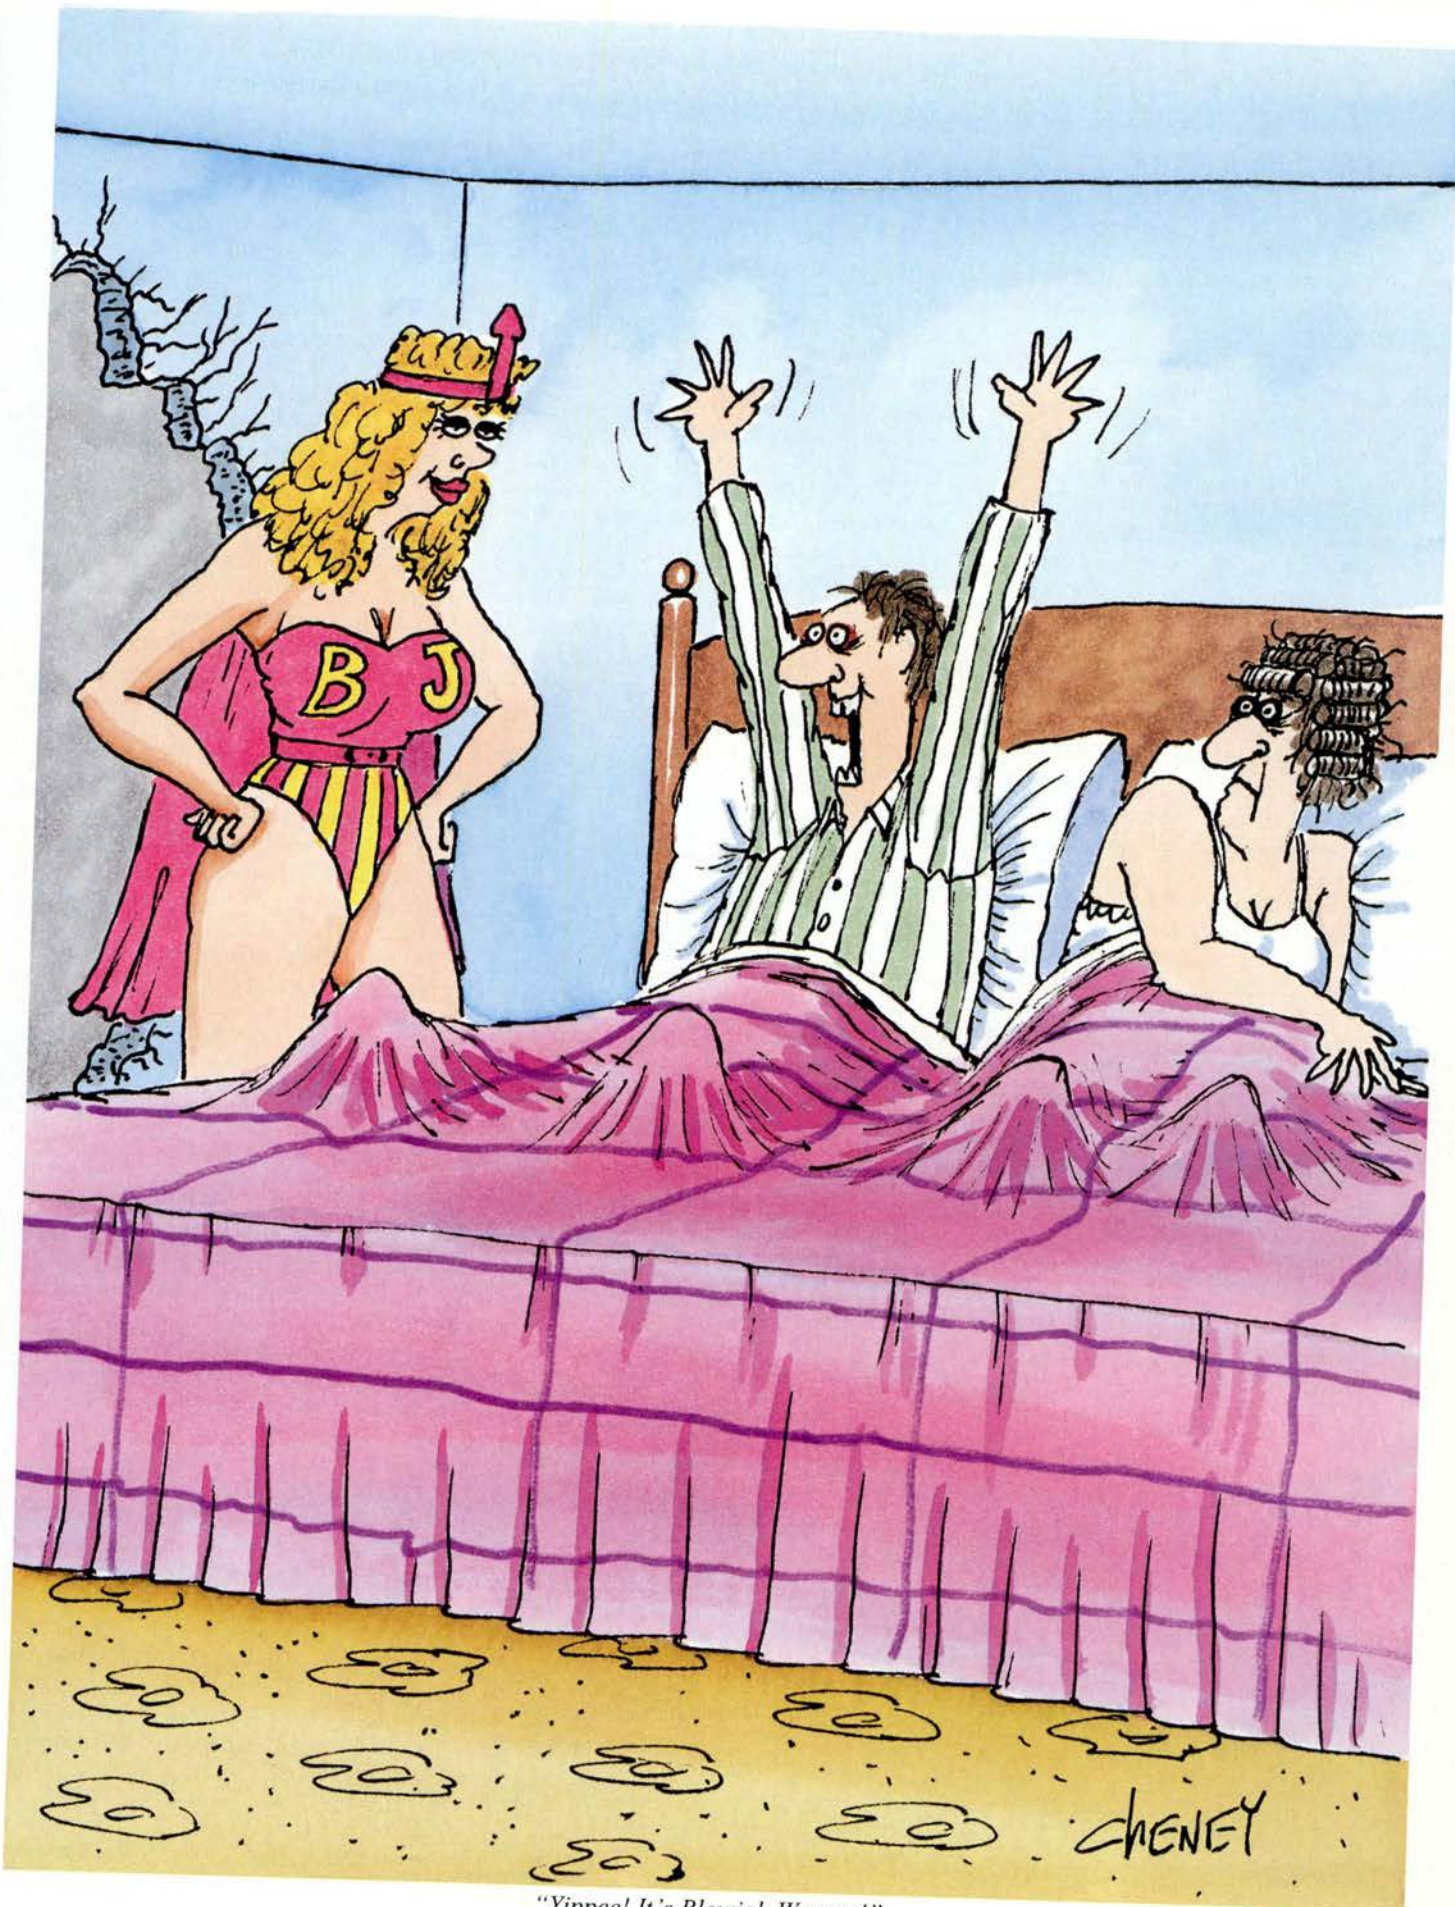

Another actress, Randy Jones, was scheduled to do a lezzie dogpile with Lauryl in the limousine, but we had trouble finding her house. When we finally picked up Randy, I asked to use her phone. There were five messages on my voice mail. All from Ron Jeremy. The first was civil, the next a bit impatient, and so on until finally he was screaming with anger—it was voice hate mail. I called him and explained the situation. He was pacified, and we picked him up without a hitch.

Randy and Lauryl dug in while Ron plowed Lauryl from behind. The two hitchhikers were amused. I was, once again, butt-face drunk and completely impotent. Ron lectured me on moderation and erections, postulating that if I wanted to be a professional porn star and not just...I had to stop him right there. "I want to be a professional pig," I told him. "That's what I get paid for—to be gross and disgusting and drunk." I think he got the point.

Still, there was no way I could sprout

## SCUM LUCK (continued from page 56)

Guber/Peters got Sony to buy their company and ransom them from their contract with Warner Brothers for \$700 million.

\$4 million when she vacated their Manhattan triplex, \$350,000 in alimony and a mansion in Greenwich, Connecticut, which she put on the market for \$18 million!

As quickly as ex-hubby Donald could say "bankrupt," Ivana bagged a million-dollar contract to put her name on two novels. The first, *For Love Alone*, was written by *Dynasty* writer Camille Marchetta, who probably had to listen to hours of tape-recorded babble about a beautiful Czechoslovakian skier-turned-model who marries a rich American, runs a hotel in Manhattan and goes through a messy divorce.

Ivana the public speaker gets about \$20,000 per speech. She is spokeswoman for Roederer Cristal champagne and has a line of body creams in the making. Lubed or not, as far as lucky fucks go, Ivana hit the bull's-eye.

### GUBER/PETERS: MOGULS FAILING UPWARD

By 1980, Polygram Pictures had lost \$80 million under the leadership of producers Peter Guber and Jon Peters. Over the next eight years, the company, under the name Guber-Peters Entertainment Company, released such forgettable bombs as *Who's That Girl*, *Caddyshack II* and *Clan of the Cave Bear*. By May 1989 Guber-Peters had

lost untold millions for Warner Brothers, but finally struck paydirt with *Batman*, the luckiest hit in motion-picture history. An underlit and miscast (Michael Keaton!) children's movie that cost less than a fleet of stealth bombers, it made a fortune, gargantuan even by Hollywood standards.

When Sony chairman Akio Morita bought Columbia Pictures, Guber and Peters were enlisted to run it. Sony wanted another *Batman*. Guber-Peters got Sony not only to buy their company for \$200 million, but also to ransom them from their contract with Warner Brothers for \$700 million more. "You're making a big mistake," a Japanese network executive informed the Sony head. "You're asking for trouble. You're getting into a business you won't be able to control."

Installed as head of Sony/Columbia, Peters acted like a coke whore running amok. Barbra Streisand's former hairdresser and Geraldo Rivera's manager in the '70s, Peters was an archetypal movieland success and knew his way around excess. He sent empty Falcon jets to London at \$30,000 a pop to pick up his girlfriend. He put his ex-wife on the Columbia payroll at a quarter of a million

dollars. He redecorated the studio at a cost of \$100 million. Instead of showing up in his office, he held meetings in his house in Malibu. The Japanese went apeshit. Their own top-level executives didn't have perks like these. To get Peters to go quietly, Sony purportedly made a gigantic settlement worth tens of millions of dollars.

Peter Guber invested an incredible \$700 million in new product. He allowed *Hudson Hawk*, a project inherited from the previous Columbia regime, to balloon in cost, underwriting a mega-disaster. He okayed millions for the scripts of *Radio Flyer*, *Fire Down Below*, *Black Box* and *Cold as Ice*, all of which went by the wayside or bombed. Two lucky fucks, however, had already bought the bank.

### TOM ARNOLD: SCREWS FAT WOMAN

In 1988-89, comedienne Roseanne Barr's first season on television, her sitcom *Roseanne* knocked *The Cosby Show* to item number two. She also started making it with Tom Arnold, a 30-year-old aspiring stand-up comic, who she met in Minneapolis at a comedy club. "We wear the same size clothes," the famous fat lady beamed. "He is the guy me."

Lucky Tom moved in. She let him warm up TV audiences, then installed him on the production end in the position of writer, moving up to *de facto* producer and head of her company. They married in 1990.

"He is the first person I have complete trust in," says Roseanne Ba—um, Arnold, dragging her lucky fuck with her everywhere. They moon for cameras and cuddle on talk shows, belch and giggle, show off their tattoos. "We're America's worst nightmare—white trash with money!" chortles Tom.

Ensnared in a \$3.4 million house in Brentwood, California, Rosie and her lucky fuck are building their own private Xanadu, the largest house in the state of Iowa, and are planning to star in a major feature motion picture based on an old Lucille Ball and Desi Arnaz film called *The Long, Long Trailer*.

"I'm the guy who kicks ass when it needs to get kicked," Tom Arnold says, exaggerating the authority of a passive lucky fuck. "I'm the one who says, 'You're fired.'"

### PIA ZADORA: WORLD'S WORST ACTRESS

A former smalltime cabaret singer who was once the opening act for oddball Tiny Tim in Florida, Pia was lucky enough to marry Meshulam Riklis, an Israeli billionaire 33 years older than she. Riklis arranged financing for the film hoots *Butterfly* and *Lonely Lady*—star vehicles for his bride.

Critic Vincent Canby said of film-star Zadora: "She looks like Brigitte Bardot recycled through a kitchen compactor."

Having failed at movies, Pia turned to music. She headlined concerts in Europe, where her American reputation hadn't preced-

ed her. She returned to the U.S. heavily promoted at hubby's expense, earning her booking at the ultimate venue—Carnegie Hall!

Why would anyone go see Pia Zadora sing at Carnegie Hall? One of the 3,000 people in attendance answered: "She's such a lousy actress, I wanted to see if she's a better singer." Or maybe the audience was hoping Pia's lucky-fuck good fortune was contagious.

## DAN QUAYLE: THE LUCKIEST FUCK ON THE PLANET

Chosen to run as U.S. Vice President because some old neutered right-wingers thought he looked like Robert Redford, Quayle, a junior senator from Indiana, revealed himself right off as a walking national disaster.

The son of a super-rich Indiana newspaper tycoon, poor-to-mediocre student Quayle was known as a party guy at college. "We were the animal house," recalls one of Quayle's fraternity brothers at De Pauw University. Dan went on to graduate at the bottom half of law school, earning, of course, draft-dodger status along the way. (His father is rumored to have paid off the draft board to get Dan into the National Guard so he could avoid Vietnam.) Why would a hawk try to avoid service in Vietnam?

His detractors make no shortage of allegations: In two terms as a junior senator, Quayle accrued a dismal attendance record on the Small Business and Foreign Affairs committees he headed. In a meeting on a defense bill, he announced he was proposing an amendment. As colleagues rolled their eyes, he read a long passage from a totally unrelated document until one of his aides yanked it from his hands and gave him the right piece of paper.

At the Republican convention, the "new" Dan Quayle confused the year of the next presidential election. "Let us see George Bush re-elected this November, and we'll talk about 1994." Far worse than even the most gung-ho Republican could have imagined, the Vice President does not even rank among President George Bush's top eight national security advisers.

Four of the last six Presidents were Vice Presidents. Everywhere the Vice President appears, hawkers sell T-shirts that say "Keep Bush Alive!" When the President's heart fluttered at a recent trade talk in Japan, the snickering stopped. Everyone in the entire free world collectively held their breath. When they found out the ailment was due to a common—not life-threatening—condition called Graves' Disease, they let out a long sigh. Americans may appreciate a lucky fuck—but no one's looking to get reamed by one. 🍆

(continued from page 106)

wood with him cracking jokes constantly—not to mention the intimidating bulk of his own tree-trunkish winkle. We pulled up to Dale's house to do another Jacuzzi scene. Lauryl struggled like a trooper to elicit a stiff response from my snorkel, but, alas, the bubbly hot water and fifth of Kessler's rendered my wienermeister a useless blob of putty. After the pair of porn stars munched their way through another scene, we saddled up the limo for the cruise home.

"Cheezboy," someone said. I looked up from my navel. It was one of the joyriders. "Huh?" I managed to grunt.

She looked me over. "Nothing," she replied humbly. "I just wanted to say the name Cheezboy."

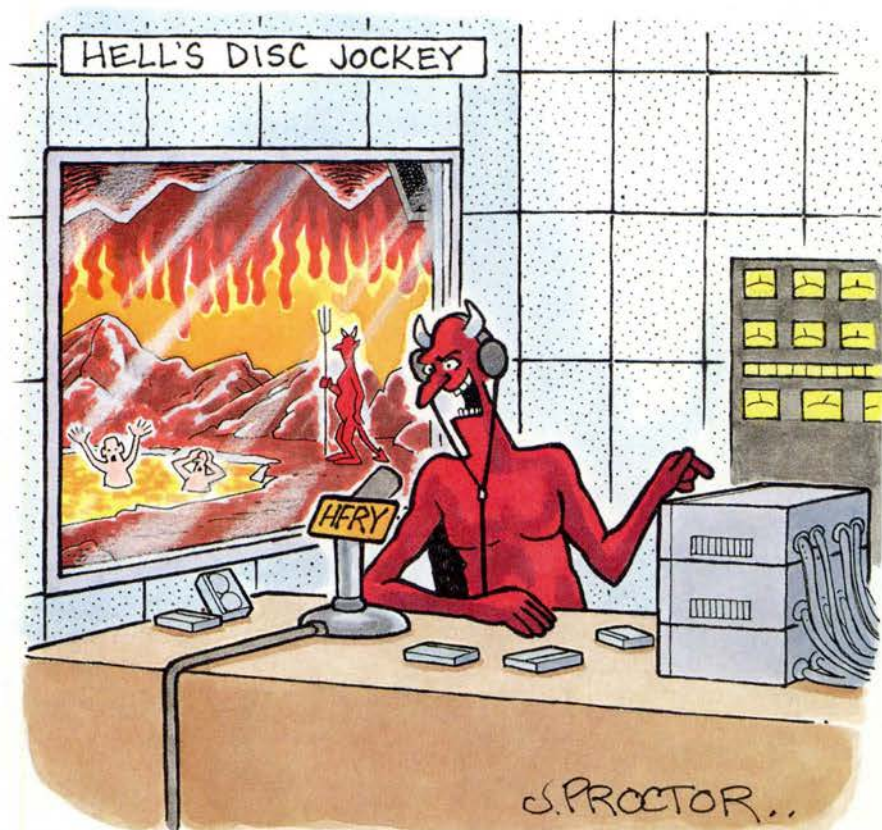

I finally realized that she was coming on to me. I left Lauryl's side and pulled the hitchhiker to the floor. Yanking up her top, I ogled two of the biggest, most perfectly formed breasts I had ever seen in my life. I threw a leg over her and slapped my meat between her cans. After a couple of strokes my schween kicked over, and I was able to really pump. My erection was intense, and just before I spackled her chin I got dizzy than fuck. I was told later that I fell over, unconscious.

Next thing I knew, I was lolling on the floor of the limo wearing nothing but a T-shirt. We were at Lauryl's place at the beach. A huge crowd of people huddled outside the limo, yelling, "Cheezboy, Cheezboy! The camera's rolling!"

I hopped out and threw on my soiled pants, ran into Lauryl's and grabbed my suitcase and Dean. I pleaded with him to take me home. Somehow I made it into my house, past a strange, large-breasted babe fast asleep on my couch, and then into bed. At 10:30 in the morning I woke up, feeling like hell. I staggered out front, not remembering how I'd gotten home. My clothes and bags were scattered all across my front yard and driveway. It was then that I noticed my pants were on inside-out, pockets dangling like big ears on my hips.

The flick is called *A Weekend With Lauryl Canyon* (distributed by KBBS). Lauryl will survive it. She's a love goddess. Me? I'm left with the deep shame of having exposed my rutting-gnu love-making techniques on celluloid. But my boss doesn't care. He even wants a copy for himself; so at least I still have a straight job. I'm not going to tell you how my shit logs turned out, but you'll be happy to know I feel much better, thank you.

[Tape inaudible. Sound of toilet flushing repeatedly.] 🍆

## HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

## HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

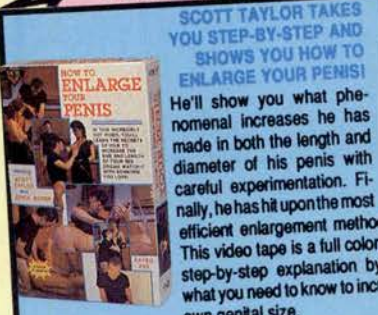

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG. . . how really FAT. . . how LONG. . . how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

## SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

## "A JOURNEY INTO THE BIZARRE"

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

with PAUL NORMAN . . . the master of the unusual!

**PN-1 "BI & BEYOND"** (Hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

**PN-2 "PASSION BY FIRE"** - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

**PN-4 "BI & BEYOND 2"** (Hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

**PN-5 "JOINED"** (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!

**PN-6 "INNOCENCE LOST"** - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

**PN-7 "BI & BEYOND 3"** (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

**PN-8 "HEATWAVE"** (Interracial bisexuality) - The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

**PN-9 "SEPARATED"** (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurring orgy of double fucking and sucking!

**PN-10 "BI & BEYOND 4"** (Super-hung black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

**PN-11 "OFFERING"** - Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

HOURS

# 1-800-477-XX69

# 8 HOURS OF SUPERB ROCK HARD VIDEO ...OVER 50 SIZZLING TITLES YOU CAN VIEW...

all for only **\$19.95**

The tough economy coupled with the restrictive legislative climate has made it imperative for the leading distributors and owners of duplicating facilities to put their ego's and competitiveness aside to create a **NEW MARKETING CONCEPT** that would change the way videotapes are sold.

## IRON-CLAD GUARANTEE

- 8 FULL HOURS of total viewing pleasure!
- Each tape generated from either 3/4", or 1" or 35mm originals, NO EXCEPTIONS!
- No tapes duplicated in 3rd speed. ABSOLUTELY NONE!
- Many titles are award winners cited for excellence or outstanding action. NO LIE!
- GUARANTEED lowest prices on any offer of this type. ANYWHERE ON THIS PLANET.

The result of this new thinking was the formation of a new partnership - the **WORLD VIDEO ALLIANCE (W.V.A.)**. Instead of 6 production facilities, why not have just one sophisticated facility? Instead of 6 tribes with 6 chiefs, why not just one great marketing complex that would revolutionize the adult entertainment business - where everyone benefits? **This includes you!**

The major single decision approved by the ALLIANCE was to pool funds and purchase state-of-the-art **HIGH-SPEED DUPLICATING machines**. We can now duplicate our 90 minutes features at the blinding speed of 2 minutes 34 seconds - and we **guarantee perfect quality**.

As a result of "cutting the fat" we can now sell the same titles you've paid as much as \$69.95 for as low as **\$2.85 each!** That's right! Less than the cost of a blank tape! To get this new merchandising concept off to an impressive start - the members of the ALLIANCE have contributed their "pride and joy" the "cream of the crop." They have put together **8 hours of superb, rock hard videos**. A compilation of **over 50 sizzling titles** from every major video production company. And this is all yours for a mere \$19.95... that's less than \$2.50 per hour of viewing. Can you beat that? If you are still in doubt... read our **GUARANTEE** again!

# Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its  
Maximum Potential!

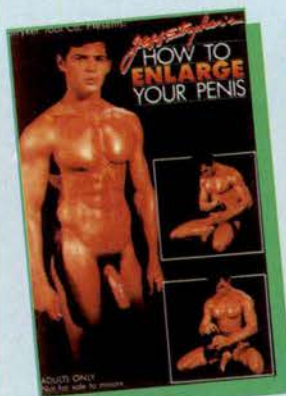

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis  
enlargement method can work for you.

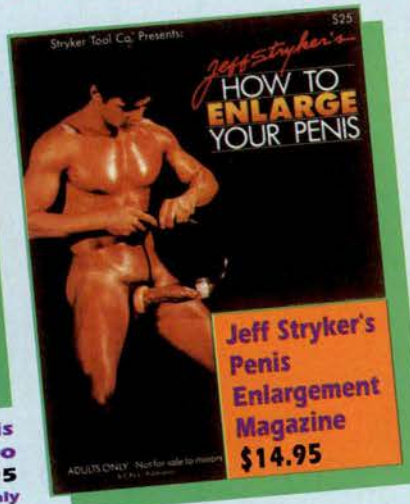

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). Erect measurements up to 12 inches!

Your penis grows larger and firmer more than you ever dreamed possible!

## NEXT MONTH IN HUSTLER

January HUSTLER on sale November 24, 1992

### JAM ON IT

HUSTLER jolts January with jet-propelled tail. First in a frenzy of femmes fatale, a pair of stacked stewardesses bare and compare in a hand-ramming glimpse of what a topless beach in Cannes can do; a piece-corps Army gunner grunts into occupation force with a female bombardier in improper military position; wank-world goddess Madison struts her hardware in dick-eye-popping fetish fashions; and a powder-white redhead fluffs the silky folds of her satin slit in a vanity view that isn't in vain. January's HUSTLER's got the inside track to a full-fist attack. Hop to it.

### SPACE INVADERS

After nearly half a century of coverups and disinformation, the *New York Times* reported that a secret cabal of U.S. military leaders was established in 1947 by an executive order from President Truman, created as a liaison between the United States and extraterrestrial civilizations. The U.S. military has dozens of dead space aliens on ice at installations nationwide, and is in possession of a fleet of downed alien spacecraft, which are routinely test-flown at a secret part of Nevada's Nellis Air Force Base known only as Area 51.... Such news wouldn't surprise the audiences crowding symposiums on UFO research, New Age prophecy and other high weirdness. Devotees of the National New Age and Alien Agenda Conference and the International Symposium on UFO Research, to name but two, maintain the U.S. government has been in cahoots with aliens for decades. Oddity observer Donald Vaughan gets an earthman's view of the starstruck in *Planet X*, the latest, if not the last, word on weird.

### ONE FROM THE HEART

Millions of Americans believe the gift of organ donation promises a better life for the needy; few know that life-support technologies make it possible to prolong the functioning of donor bodies to be sold piecemeal on a market that in many cases has little to do with transplantation. Thousands of so-called brain-dead donors in hospitals across the nation await organ plunder, yet a significant percentage of doctors concede that it is impossible to be certain that a donor on life support is really dead. Detailing the gut-wrenching ramifications of the body trade is *Raiders of the Temple of God*, Larry Wichman's look at a real-life legion of living dead.

### ABOVE AND BEYOND

Forget about floppy—sex in the computer age promises as much input and output as the best bedroom operating systems. Electronic brain Ron Chepesiuk makes *analog*, *laptop* and *byte* dirty words in "Hard Drive," HUSTLER's *Sex Play* for January; *Hot Letters* takes cunt and dictionation from a brand-new batch of bonin' cumscribers; *Beaver Hunt* gets the fun fur out of the closet and into the pink; and *Bits & Pieces* yanks a few rabid dick-and-shit jokes from another hatful of life's tragedies. HUSTLER in January pulls out the stops. Lend a hand!
